RIVAS ELENA

[Guerrilla Warfare](#) Rowman & Littlefield

Gonzalez explores the extraordinary role of Che Guevara in the Cuban revolution, and his legacy today in the anti-capitalist movement. However, while paying homage to the inspiring example of Guevara, Gonzalez also critically assesses the developments in Cuba since 1958.

Che Guevara Penguin

This classic anthology on Latin America shows the Argentine-born revolutionary's cultural depth, rigorous intellect, and intense emotional engagement with a continent and its people. In a letter to his mother in 1954, a young Ernesto Guevara wrote, "The Americas will be the theater of my adventures in a way that is much more significant than I would have believed." In *The Awakening of Latin America* we have the story of those adventures, charting Che's evolution from an impressionable young medical student to the "heroic guerrilla," assassinated in cold blood in Bolivia. Spanning seventeen years, this anthology draws on from his family's personal archives and offers the best of Che's writing: examples of his journalism, essays, speeches, letters, and even poems. As Che documents his early travels through Latin America, his involvement in the Guatemalan and Cuban revolutions, and his rise to international prominence under Fidel Castro, we see how his fervent commitment to social justice shaped and was shaped by the continent he called home.

Verzameling teksten en toespraken van de Zuidamerikaanse revolutionair (1928-1967) die een beeld geeft van zijn politieke ideologie

[Che Guevara, Cuba, and the Road to Socialism](#) Ocean Press

Director Steven Soderberg based his epic biopic on two classic diaries written by Che Guevara: *Reminiscences of the Cuban Revolutionary War* and *Bolivian Diary*. *Che: The Diaries of Ernesto Che Guevara* includes a section from each of these books, showing the young Argentine's evolution, in his own words, from the wide-eyed medical student of the *Motorcycle Diaries* era to the revolutionary hero the world knows as Che.

[Che Guevara Reader](#) Ocean Press

An extraordinary illustrated graphic novel about the legendary political figure Che Guevara. His name is equated with rebellion, revolution, and socialism. His face is on tee-shirts all over the world. Che Guevara's life has been explored and portrayed in numerous books and films, including *The Motorcycle Diaries*, and he continues to captivate the public imagination more than forty years after his death. Guevara became politically active in his native Argentina, but gained notoriety after he met Fidel Castro and became instrumental in Castro's efforts in Cuba. Guevara then went on to Bolivia, where he was captured and killed by the Bolivian army while trying to incite revolution. This illustrated biography tells the riveting story of Che's life and death through the popular Japanese art form manga.

Che Guevara Bloomsbury Publishing USA

This title examines the remarkable life of Dorothy Dandridge. Readers will learn about Dandridge's family background, childhood, education, and groundbreaking work as an actress who broke down racial barriers. Color photos and informative sidebars accompany easy-to-read, compelling text. Features include a table of contents, timeline, facts, additional resources, Web sites, a glossary, a bibliography, and an index. *Essential Lives* is a series in *Essential Library*, an imprint of ABDO Publishing Company.

Che Guevara Ocean Press

Examines the life of Ernesto "Che" Guevara, who was a trained doctor, writer, military leader and radical activist.

Che Guevara Random House

By the time he was killed in the jungles of Bolivia, where his body was displayed like a deposed Christ, Ernesto "Che" Guevara had become a synonym for revolution everywhere from Cuba to the barricades of Paris. This extraordinary biography peels aside the veil of the Guevara legend to reveal the charismatic, restless man behind it. Drawing on archival materials from three continents and on interviews with Guevara's family and associates, Castaneda follows Che from his childhood in the Argentine middle class through the years of pilgrimage that turned him into a committed revolutionary. He examines Guevara's complex relationship with Fidel Castro, and analyzes the flaws of character that compelled him to leave Cuba and expend his energies, and ultimately his life, in quixotic adventures in the Congo and Bolivia. A masterpiece of scholarship, *Companero* is the definitive portrait of a figure who continues to fascinate and inspire the world over. "From the Trade Paperback edition.

[The Politics of Che Guevara](#) Ocean Press

Exchanges from the opening years of the Cuban Revolution and today on the political perspectives defended by Guevara as he helped lead working people to advance the transformation of economic and social relations in Cuba. Photo, notes, index.

The Political Theory of Che Guevara Quercus Books

Che Guevara: Cuban revolutionary, doctor, communist, author, rebel, hero, villain - and according to Jean Paul Satre the most complete human being of his age. He was a fascinating character whose life is explored in this enlightening book.

[Congo Diary](#) Rowman & Littlefield

This concise biography of the world famous revolutionary Che Guevara provides the most up-to-date and comprehensive account available of his remarkable life, tragic death, and enduring political legacy. Che Guevara is one of the most controversial and iconic figures in recent memory and is still a hero to many. *Che Guevara: A Biography* provides a balanced and engaging introduction to the famous revolutionary leader. Based on original research, the biography reveals how Che's early life prepared him for leadership in the Cuban Revolution. It also explores his revolutionary activities in Africa and Bolivia, as well as the circumstances surrounding his tragic death on October 9, 1967. More than just a record of events, the book cogently examines Che's contributions to the theory and tactics of guerrilla warfare, his ideas about imperialism and socialism, and his enduring political legacy. It includes original information on the 1997 discovery of the hidden remains of his body and on the celebration of his life and ideals by the socialist regime in Cuba. And it looks at the reasons why leftist political leaders, movements, and governments in Latin America and the Caribbean still pay homage to this charismatic man.

Che Guevara Pen and Sword History

An intimate look at the man behind the icon, from the Guevara family's private archives. Includes extraordinary unpublished short stories and poems written to his wife and children as well as photos from the Guevara family album, showing a surprisingly sensitive and artistic side to the legendary revolutionary. Che's self-portrait photography are a key feature of the selection, presented alongside other material finally released for publication from his family's archives.

Che Guevara Reader Penguin

Viva la revolución! Find out how Che Guevara--a doctor turned communist leader and much more than a face on a T-shirt--ended up paying the ultimate price for his cause. His very image has become associated with a spirit of rebellion, but Ernesto Guevara--known around the world simply as Che--didn't dream of becoming a revolutionary. Author Ellen Labrecque takes readers on a journey through Che's life starting with his childhood in Argentina, to his travels through South and Central America as a young physician, and ending with his final years as a key player in the Cuban revolution. His legacy--as the author of *The Motorcycle Diaries*, a champion of the poor, and a force

for change in Cuba--is both personal and political.

[Viva Che!](#) Rowman & Littlefield

"Excellent. . . .The book gives one a clear understanding of the relationship of Guevara's thought to traditional Russian and Marxist philosophy." —Choice Reviews In this seminal exploration of Che Guevara's contributions to Marxist thinking, Michael Löwy traces Che's ideas about Marxism both as they related to Latin America and to more general philosophical, political, and economic issues. Now revised and updated, this edition includes a chapter on Guevara's search for a new paradigm of socialism and a substantive essay by Peter McLaren on Che's continued relevance today. Löwy portrays Guevara as a revolutionary humanist who considered all political questions from an internationalist viewpoint. For him, revolutionary movements in Latin America were part of a world process of emancipation. Löwy considers especially Che's views on the contradiction between socialist planning and the law of value in the Cuban economy and his search for an alternative road to the "actually existing socialism" of the Stalinist and post-Stalinist Soviet bloc. Che's varied occupations—doctor and economist, revolutionary and banker, agitator and ambassador, industrial organizer and guerrilla fighter—were expressions of a deep commitment to social change. This book eloquently captures his views on humanity, his contributions to the theory of revolutionary warfare, and his ideas about society's transition to socialism, offering a cohesive, nuanced introduction to the range of Guevara's thought. "An excellent classroom tool for anyone teaching about Latin America or revolution." —Science & Society "[This book] provides us with the picture of [Guevara's] great, flexible, and searching mind." —Carleton Beals "Michael Löwy's brief but penetrating book takes Che Guevara not as a romantic adventurer but as a serious revolutionary militant." —Telos

Ernesto "Che" Guevara Gareth Stevens Publishing LLLP

In December 1956 Guevara was part of the expedition that landed in Cuba aboard the yacht Granma to begin the guerrilla struggle. Originally the troop doctor, Guevara became a commander of the Rebel Army.

Che Guevara and the Cuban Revolution Cambridge, Mass. : MIT Press

In 1952 Alberto Granado, a young doctor, and his friend Ernesto Guevara, a 23-year-old medical student from a distinguished Buenos Aires family, decided to explore their continent. They set off from Cordoba in Argentina on a Norton 500cc motorbike and traveled through Chile, Peru, Colombia, and Venezuela. The duo's adventures vary from the suspenseful (stowing away on a cargo ship, exploring Incan ruins) to the comedic (falling in love, drinking, fighting...) to the serious (volunteering as firemen and at a leper colony). They worked as day laborers along the way--as soccer coaches, medical assistants, and furniture movers. The poverty and exploitation of the native population started the process that was to turn Ernesto--the debonair, fun-loving student--into Che, the revolutionary who had a profound impact on the history of several nations. Originally published in Spanish in Cuba in 1978, the first English translation was published by Random House UK in 2003. The movie, based on Granado's and Che's diaries, directed by Walter Salles (Central Station, Behind the Sun), was produced by Robert Redford and others. Shown at the Sundance Film Festival, it generated great reviews and a frenzied auction for distribution rights, which was won by Focus Features. Granado, now 82, was a consultant to Salles during the production.

Che Guevara Speaks Interlink Books

The controversial life and career of Ernesto Ché Guevara (1928-1967) has earned the revolutionary

leader admirers and detractors across the world. In his critical biography, Daniel James penetrates the myths that have grown up around Guevara since his death. The biography carefully analyzes the Cold War situations in which Guevara lived and fought, and which turned the young medical student into a guerrilla and political theoretician. Ché Guevara: A Biography includes interviews with Guevara's first wife, and extensive information on the revolutionary's early years and family life lacking in other biographies. James also discusses Guevara's actions in Cuba as a leader in the rebel army of Fidel Castro, covering in detail Guevara's military victories, his post-war executions of anti-Castro prisoners, and his criticism of Soviet Communism. This unique and unsparing portrait of Guevara includes and an in-depth examination of his last guerrilla campaign in Bolivia.

Traveling with Che Guevara ABDO

Featuring a foreword by Gabriel Garcia Marquez ("Che Guevara in Africa"), this book fills in the missing chapter in Che Guevara's life as head of the secret Cuban force that went to aid the liberation movement in the Congo against the Belgian colonialists in 1965. The idea was to prepare a group of Cubans for the mission to Bolivia, as well as to assist African national liberation movements. This diary remained unpublished for decades because of its controversial content, but, like his other diaries, reveals Che's great literary gift, his razor-sharp intellect, his dry wit, and his brutal honesty. Because this diary deals with what Che admits was a "failure," he examines every painful detail about what went wrong in order to draw constructive lessons for future expeditions. This publication of the complete Congo Diary has been thoroughly revised by Che's widow, Aleida March, and published in association with the Che Guevara Studies Center in Havana. Features: Forewords by Gabriel Garcia Marquez ("Che Guevara in Africa") and Che's daughter, Aleida Guevara Twenty-eight pages of unpublished photos Extensive notes and glossary explaining Swahili terms Backcover blurbs by Nelson Mandela and Gabriel Garcia Marquez

Che Guevara Ocean Press (AU)

Che Guevara, the larger-than-life hero of the 1959 revolutionary victory that overturned the Cuban dictatorship, believed that revolution would also topple the imperialist governments in Latin America. Che's call to action, his proclamation of "invincibility"--the ultimate victory of revolutionary forces--continues to influence the course of Latin American history and international relations. His amazing life story has lifted him to almost legendary status. This edition of Che's classic work *Guerrilla Warfare* contains the text of his book, as well as two later essays titled "Guerrilla Warfare: A Method" and "Message to the Tricontinental." A detailed introduction by Brian Loveman and Thomas M. Davies, Jr., examines Guevara's text, his life and political impact, the situation in Latin America, and the United States' response to Che and to events in Latin America. Loveman and Davies also provide in-depth case studies that apply Che's theories on revolution to political situations in seven Latin American countries from the 1960s to the present. Also included are political chronologies of each country discussed in the case studies and a postscript tying the analyses together. This book will help students gain a better understanding of Che's theoretical contribution to revolutionary literature and the inspiration that his life and *Guerrilla Warfare* have provided to revolutionaries since the 1960s. This volume is an invaluable addition to courses in Latin American studies and political science.
