Girl Online: Going Solo Macmillan

Following the events of *The Last Colony*, John Scalzi tells the story of the fight to maintain the unity of the human race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being published online from January to April 2013 as a three-month digital serial, *The Human Division* will appear as a full-length novel of the *Old Man's War* universe, plus—for the first time in print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization. *Old Man's War* Series #1 *Old Man's War* #2 *The Ghost Brigades* #3 *The Last Colony* #4 *Zoe's Tale* #5 *The Human Division* #6 *The End of All Things* Short fiction: "After the Coup" Other Tor Books *The Android's Dream* *Agent to the Stars* *Your Hate Mail Will Be Graded* *Fuzzy Nation* *Redshirts* *Lock In* *The Collapsing Empire* (forthcoming) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Agent to the Stars *Zoe's Tale*

A rebellious young musician reconnects with the matriarchs in her family as three generations of women strive for real freedom in this brilliant novel of family, sexuality, and feminism from the acclaimed author of *The Best Kind of People*. It's 1997 and Missy's band has finally hit the big time as they tour across America. At twenty-two years old, Missy gets on stage every night and plays the song about her absent mother that made the band famous. Missy is the only girl in the band and she's determined to party just as hard as everyone else, loving and leaving someone in every town. But then a forgotten party favor strands her at the border. Fortysomething Carola is just surfacing from a sex scandal at the yoga center where she has been living when she sees her daughter, Missy, for the first time in ten years--on the cover of a music magazine. Ruth is eighty-three and planning her return to the Turkish seaside village where she spent her childhood. But when her granddaughter Missy winds up crashing at her house, she decides it's time that the strong and stubborn women in her family find a way to understand each other again. In this sharply observed novel, Zoe Whittall captures three very different women who struggle to build an authentic life. Definitions of family, romance, gender, and love will radically change as they seek out lives that are nothing less than spectacular.

The Sagan Diary Pan Macmillan

Day breaks over the town. Wake up, everybody! Its time to go to school. It's time for the old man to get up, too. The night was icy and he's hungry. His name? He no longer knows ... This is the story of a person with no job, no family, no home - nobody, who can't even remember his name. But his day changes when he is noticed by a child.

'A triumph. Dazzlingly original.' Sunday Times _____ 'What happens to those girls who go missing? What happens to the Zoe Nolans of the world?' In the early hours of Saturday 17 December 2011, Zoe Nolan, a nineteen-year-old Manchester University student, walked out of a party taking place in the shared accommodation where she had been living for three months. She was never seen again. Seven years after her disappearance, struggling writer Evelyn Mitchell finds herself drawn into the mystery. Through interviews with Zoe's closest friends and family, she begins piecing together what really happened in 2011. But where some versions of events overlap, aligning perfectly with one another, others stand in stark contrast, giving rise to troubling inconsistencies. Shaken by revelations of Zoe's secret life, and stalked by a figure from the shadows, Evelyn turns to crime writer Joseph Knox to help make sense of a case where everyone has something to hide. Zoe Nolan may be missing presumed dead, but her story is only just beginning 'Riveting and relentless...A unique story, brilliantly told' Terry Hayes 'Brilliant, compelling and original' Steve Cavanagh 'Highly original and mischievous' John Boyne _____ Readers love TRUE CRIME STORY: 'Perfectly combines the best parts of true crime, fiction and mystery. Superb' 'My favourite read of 2021...fascinating, perplexing and bloody brilliant' 'I've been looking for something different and new in the crime genre. Here it is'

***** 'I LOVED THIS BOOK!!!!!!!!!!!!!!' Amazon reviewer ***** 'Outrageously funny!' Amazon reviewer ***** 'Extremely touching' Amazon reviewer ***** 'An absolute delight' Netgalley reviewer The PERFECT Christmas gift! A ninety-year-old woman with Alzheimer's and a heartbroken young man share a ride to Brussels that ends up changing their lives forever. When Alex pulls up to meet "Max", he expects everything but a ninety-year-old lady who has her heart set on getting to Brussels by carpool. As for 'Max', who is actually called Maxine, she could not be more ill at ease when settling into the seat next to this young man with bloodshot eyes. God help her if he turned out to be a drug addict who hasn't slept in days! When it becomes clear that Maxine is suffering from Alzheimer's and wants to take matters into her own hands while she still can, and that Alex battles severe depression, a wonderful friendship starts to form between the unlikely pair. Before long, their travel plans take an unexpected turn... Translated from the French by Kelly Lardin.

Two girls on opposite sides of a war discover they're fighting for a common purpose—and falling for each other—in Zoe Hana Mikuta's high-octane debut *Gearbreakers*, perfect for fans of *Pacific Rim*, *Pierce Brown's Red Rising Saga*, and *Marie Lu's Legend* series. We went past praying to deities and started to build them instead... The shadow of Godolia's tyrannical rule is spreading, aided by their giant mechanized weapons known as Windups. War and oppression are everyday constants for the people of the Badlands, who live under the thumb of their cruel Godolia overlords. Eris Shindani is a *Gearbreaker*, a brash young rebel who specializes in taking down Windups from the inside. When one of her missions goes awry and she finds herself in a Godolia prison, Eris meets Sona Steelcrest, a cybernetically enhanced Windup pilot. At first Eris sees Sona as her mortal enemy, but Sona has a secret: She has intentionally infiltrated the Windup program to destroy Godolia from within. As the clock ticks down to their deadliest mission yet, a direct attack to end Godolia's reign once and for all, Eris and Sona grow closer—as comrades, friends, and perhaps something more... Praise for *Gearbreakers*: "An absolute joyride ... Zoe Hana Mikuta is a talent to be in awe of." —Chloe Gong, *New York Times*-bestselling author of *These Violent Delights* "Dark, fierce, thrilling, and tender, *Gearbreakers* will make your blood sing." —Nina Varela, author of *Crier's War*

Fans of John Scalzi's "Old Man" universe, prepare yourselves: there's a long new story in that universe, told from the point of view of one of the series' most intriguing characters. And for the first time, fans can become part of the universe themselves. Subterranean Press is proud to announce *The Sagan Diary*, a long novelette that for the first time looks at the worlds of the Hugo-nominated *Old Man's War* and its sequel *The Ghost Brigades* from the point of view of Lieutenant Jane Sagan, who in a series of diary entries gives her views on some of the events included in the series... and sheds new light into some previously unexplored corners. If you thought you knew Jane Sagan before, prepare to be surprised.

The Android's Dream Bloomsbury Publishing

From *New York Times* bestseller and Hugo Award-winner John Scalzi, *Agent to the Stars* is a brilliantly witty first-contact story unlike any other. Showbiz is about to go interstellar As an ambitious young agent, Thomas Stein knows all about the art of the deal, even if his actors aren't quite A-list material. But he's about to receive some out-of-this-world clients - literally. The space-faring Yherajk have come to Earth to talk interstellar peace. One problem: they're also hideous, and

smell like rotting fish. For Stein, it's a once-in-a-lifetime opportunity to become the hottest name in Hollywood. Or on the planet. Yet it's one thing to land a client's blockbuster film role - and quite another to negotiate for an entire alien race. He'll need every ounce of his charm, wit and wiles. But even with these considerable talents, can he really give the Yherajk the makeover they need to shine on the world's stage? Praise for John Scalzi: 'John Scalzi is the most entertaining, accessible writer working in SF today' - Joe Hill 'Scalzi is one of the slickest writers that SF has ever produced' - *Wall Street Journal*

Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and *New York Times* bestseller is "a captivating story of love lost and found" (*Kirkus Reviews*) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (*Publishers Weekly*), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

Discover a collection of fairy tales unlike the ones you've read before . . . Once upon a time, in the middle of winter, a King sat at a window and sewed. As he sewed and gazed out onto the landscape, he pricked his finger with the needle, and three drops of blood fell onto the snow outside. People have been telling fairy tales to their children for hundreds of years. And for almost as long, people have been rewriting those fairy tales - to help their children imagine a world where they are the heroes. Karrie and Jon were reading their child these stories when they hit upon a dilemma, something previous versions of these stories were missing, and so they decided to make one vital change.. They haven't rewritten the stories in this book. They haven't reimagined endings, or reinvented characters. What they have done is switch all the genders. It might not sound like that much of a change, but you'll be dazzled by the world this swap creates - and amazed by the new characters you're about to discover.

From Scratch Pan Macmillan

New York Times bestselling author John Scalzi takes readers on an epic romp of galactic conquest and exploration in the Old Man's War series. This box set includes: Old Man's War, The Ghost Brigades, and The Last Colony Earth itself is a backwater. The bulk of humanity's resources are in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. Old Man's War John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army, with only the vaguest idea what to expect. Because the actual fight is far more difficult than he can imagine—and what he will become is far stranger. The Ghost Brigades At first, Jared is a perfect soldier, but as another man's memories slowly surface, Jared begins to intuit the reasons for their betrayal. Time is running out: The alliance is preparing its offensive, and some of them plan worse things than humanity's mere military defeat. The Last Colony Retired from his fighting days, John Perry and his wife, Jane, are pulled back into the political arena, and into the thick of interstellar politics, betrayal, and war. Getting There Hachette UK

Hard-core military science fiction at its very best, John Scalzi's The Last Colony is the third in The Old Man's War series. They must save themselves – or die trying. John Perry was living peacefully on one of humanity's colonies – until he and his wife were offered an opportunity these ex-supersoldiers couldn't resist. To come out of retirement and lead a new frontier world. However, once on the planet, they discover they've been betrayed. For this colony is a pawn in an interstellar game of war and diplomacy. Humanity's Colonial Union has pitched itself against a new, seemingly unstoppable alien alliance, dedicated to ending all human colonization. As this contest rages above, Perry struggles to keep his terrified colonists alive on the surface below – despite dangerous interstellar politics, violence and treachery. And the planet has yet to reveal its own fatal secrets. Continue the gripping space war series with Zoe's Tale.

Zoe's Tale Penguin Group Australia

A gripping, prizewinning novel about a girl surviving in a devastated world. Imagine that a few years from now England is covered by water, and Norwich is an island. Zoe, left behind in the confusion when her parents escaped, survives there as best she can. Alone and desperate among marauding gangs, she manages to dig a derelict boat out of the mud and gets away to Eels Island. But Eels Island, whose raggle-taggle inhabitants are dominated by the strange boy Dooby, is full of danger too. The belief that she will one day find her parents spurs Zoe on to a dramatic escape in a story of courage and determination that is handled with warmth and humanity. This book was the winner of the Branford Boase Award 2001 and marked the start of author Marcus Sedgwick's multi-award-

winning career.

Gender Swapped Fairy Tales Faber & Faber

The remote island village of Neverness is a world far from our time and place. The air hangs rich with the coconut-scent of gorse and the salty bite of the sea. Harsh winds scour the rocky coastline. The villagers' lives are inseparable from nature and its enchantments. Verlyn Webbe, born with a wing for an arm, unfurls his feathers in defiance of past shame; Plum is snatched by a water bull and dragged to his lair; little Crab Skerry takes his first run through the gorse-maze; Madden sleepwalks through violent storms, haunted by horses and her father's wishes. As the tales of this island community interweave over the course of a generation, their earthy desires, resentments, idle gossip and painful losses create a staggeringly original world.

SHE WON'T GO DOWN WITHOUT A FIGHT It's not every day you up sticks and move to another world. But then, Zoë Boutin-Perry's life has never been ordinary. She's the adopted teenage daughter of two former super-soldiers. She's also a holy icon to a race of alien warriors who track her every move. So she's used to the quirks of being a human in space. However, this time something's different. Betrayed by the authorities, Zoë - along with her parents and fellow colonists - finds herself stranded on a deadly pioneer planet. The Colonial Union has also set them up as a target for hostile alien action. Zoë must become a player (and a pawn) in an interstellar battle, which will determine the fate of humanity. Her father's side of this story was told in The Last Colony, but Zoe's Tale reveals a whole new dimension. It's a story you may think you know, but you don't really know it at all.
