Bomber Aircrafts Coloring Book for Adults 2

Independently Published
Two books in one, this bumper activity book contains over 150 farm-themed stickers as well as lots of colouring activities. Always a popular subject area with children, life on the farm provides lots to spot and talk about, including animals, machinery, plants and people. Children can create their own busy airport scenes showing people and planes arriving at the

airport, getting ready to fly, taking off and up in the air. With over 100 stickers depicting holidaymakers with their luggage, pilots and cabin crew, the runway staff who bring planes in safely to land, and of course a selection of different aeroplanes.

Do you know which country surprisingly owns F-14 fighter jets besides the US? Do

you know how much it costs to fly US Presidents' Air Force One for one hour? Or what famous operation the Black Hawk helicopter took part in? Did you know that the heaviest plane in the world has 32 wheels? That the B-52 bomber is capable of carrying 31.5 tons of bombs? That the A-10 thunderbolt's cannon is larger than a family car and capable of firing 70 shells every second? And that one of the test pilots in the US Air Force was awarded astronaut wings even though he did not plan to fly into space? From the dawn of humanity, people have dreamed of flying like birds! 1,700 years have gone by since the Chinese first got a man-made object to rise towards the sky, and 516 years since the great scientist Leonardo da Vinci designed flying machines in his imagination. Today, almost 120 years after the Wright brothers were able to fly for the first time in history, humans have invented aircraft that repeatedly break records of altitude, takeoff weight, durability, and speed! This book, from the We Can Color - Fun & Facts Coloring Books series, will give your child long hours of fun and learning while coloring the beautiful illustrations of amazing aircraft such as

fighter jets and helicopters, historic planes, airships, hot air balloons, passenger planes, transport planes, rescue helicopters, nuclear bombers, presidential planes, firefighting planes, and many many others! Next to every original illustration your child can color, there are interesting facts about each animal: over 125 facts throughout the book! * This book contains full-page original coloring pages that are not repeated! * The extra-large pages are 8.5 x 11 inches in size! * All the illustrations are single-sided to prevent bleed-through and can be torn out and displayed without losing the images on the back! * All the illustrations and information are suitable for ages 5 and up. Children, teens, and adults will enjoy relaxed moments while coloring and learning fun facts! The We Can Color - Fun & Facts Coloring Books series includes the following books: The Great Dinosaurs of the Earth! Space Technology and Our Solar System! The Coolest Aircraft in the World! The Coolest Trucks in the World! The Coolest Vehicles in the World! The Great Animals of the Farm! The Great Animals of the Ocean! The Great Animals of the Jungle! The Great Animals of the

Savannah! The Great Animals of the Forest! The Great Animals of the Desert!
