Grass**  
Penguin

Leaves of  
Grass is Walt  
Whitman's  
glorious  
poetry  
collection, first  
published in  
1855, which  
he revised and  
expanded  
throughout his  
lifetime. It was  
ground-  
breaking in its  
subject matter  
and in its  
direct,  
unembellished  
style. Part of  
the Macmillan

Collector's Library; a series of stunning, clothbound, pocket sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition is edited and introduced by Professor Bridget Bennett. Whitman wrote about the United States and its people, its revolutionary spirit and about democracy.

He wrote openly about the body and about desire in a way that completely broke with convention and which paved the way for a completely new kind of poetry. This new collection is taken from the final version, the Deathbed edition, and it includes his most famous poems such as 'Song of Myself' and 'I Sing the Body Electric'.  
*Walt Whitman's Leaves of Grass* National Geographic

Books Beautiful hardcover volume features "Song of Myself," "I Sing the Body Electric," other poems from original 1855 edition of the controversial masterpiece that continues to redefine conventional notions of beauty and originality.  
**Poems of Walt Whitman**  
Nabu Press  
As featured in AMC's Breaking Bad, given by Gale Boetticher to Walter White and discovered by

Hank Schrader. "I celebrate myself, And what I assume you shall assume, For every atom belonging to me as good belongs to you. I loafe and invite my soul, I lean and loafe at my ease....observing a spear of summer grass." So begins Leaves of Grass, the first great American poem and indeed, to this day, the greatest and most essentially American poem in all

our national literature. The publication of Leaves of Grass in July 1855 was a landmark event in literary history. Ralph Waldo Emerson judged the book "the most extraordinary piece of wit and wisdom America has yet contributed." Nothing like the volume had ever appeared before. Everything about it--the unusual jacket and title page, the exuberant preface, the

twelve free-flowing, untitled poems embracing every realm of experience--was new. The 1855 edition broke new ground in its relaxed style, which prefigured free verse; in its sexual candor; in its images of racial bonding and democratic togetherness; and in the intensity of its affirmation of the sanctity of the physical world. This Anniversary Edition captures the typeface,

design and layout of the original edition supervised by Whitman himself. Today's readers get a sense of the "ur-text" of Leaves of Grass, the first version of this historic volume, before Whitman made many revisions of both format and style. The volume also boasts an afterword by Whitman authority David Reynolds, in which he discusses the 1855 edition

in its social and cultural contexts: its background, its reception, and its contributions to literary history. There is also an appendix containing the early responses to the volume, including Emerson's letter, Whitman's three self-reviews, and the twenty other known reviews published in various newspapers and magazines. This special volume will be a must-have

keepsake for fans of Whitman and lovers of American poetry.  
**Study Guide to The Leaves of Grass by Walt Whitman**  
Andesite Press  
From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each

with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to

Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular *Daily Drop Cap* blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics,

perfect to give as elegant gifts or to showcase on your own shelves. *W* is for Whitman. When Walt Whitman self-published his *Leaves of Grass* in July 1855, he altered the course of literary history. One of the greatest masterpieces of American literature, it redefined the rules of poetry while describing the soul of the American character. Throughout his life, Whitman continuously

revised, expanded, and republished Leaves of Grass, but the 1855 original marked Whitman's fresh and bold arrival, greeted by Ralph Waldo Emerson as "the beginning of a great career." This volume specially compiled for Penguin Drop Caps will also include a range of additional popular poems including selections from "Calamus," "Crossing

Brooklyn Ferry," and "Drum-Taps," as well as Whitman's 1855, 1856 and 1976 prefaces and "Democratic Vistas." **The Poems of Walt Whitman (Leaves of Grass)** Palala Press "Leaves of Grass," first published in 1855, contained twelve long untitled poems, but Whitman continued to expand it throughout his life. Whitman's poetry was unprecedente

d in its unapologetic joy in the physical and its inextricable link to the spiritual. As Ralph Waldo Emerson wrote to him: "I am very happy in reading ["Leaves of Grass"], as great power makes us happy ... I find incomparable things said incomparably well, as they must be." *Leaves of Grass, a Textual Variorum of the Printed Poems, 1855-1856* Createspace Independent

This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

**Leaves of Grass** Modern Library Leaves of Grass is a

poetry collection by the American poet Walt Whitman (1819-1892). Though the first edition was published in 1855, Whitman spent most of his professional life writing and re-writing Leaves of Grass, revising it multiple times until his death. This resulted in vastly different editions over four decades- the first a small book of twelve poems and the last a compilation of over 400. The

poems of Leaves of Grass are loosely connected, with each representing Whitman's celebration of his philosophy of life and humanity. This book is notable for its discussion of delight in sensual pleasures during a time when such candid displays were considered immoral. Where much previous poetry, especially English, relied on symbolism, allegory, and meditation on

the religious and spiritual, Leaves of Grass (particularly the first edition) exalted the body and the material world. Influenced by Ralph Waldo Emerson and the Transcendentalist movement, itself an offshoot of Romanticism, Whitman's poetry praises nature and the individual human's role in it. However, much like Emerson, Whitman does not diminish the role of the

mind or the spirit; rather, he elevates the human form and the human mind, deeming both worthy of poetic praise. With one exception, the poems do not rhyme or follow standard rules for meter and line length. Among the poems in the collection are "Song of Myself," "I Sing the Body Electric," "Out of the Cradle Endlessly Rocking." Later editions included Whitman's elegy to the assassinated

President Abraham Lincoln, "When Lilacs Last in the Dooryard Bloom'd." Leaves of Grass was highly controversial during its time for its explicit sexual imagery, and Whitman was subject to derision by many contemporary critics. Over time, the collection has infiltrated popular culture and been recognized as one of the central works of American poetry. Walter

"Walt" Whitman ( May 31, 1819 - March 26, 1892) was an American poet, essayist, and journalist. A humanist, he was a part of the transition between transcendentism and realism, incorporating both views in his works. Whitman is among the most influential poets in the American canon, often called the father of free verse. His work was very controversial in its time, particularly his poetry collection Leaves of Grass, which was described as obscene for its overt sexuality. Born in Huntington on Long Island, Whitman worked as a journalist, a teacher, a government clerk, and in addition to publishing his poetry-was a volunteer nurse during the American Civil War. Early in his career, he also produced a temperance novel, Franklin Evans (1842). Whitman's major work, Leaves of Grass, was first published in 1855 with his own money. The work was an attempt at reaching out to the common person with an American epic. He continued expanding and revising it until his death in 1892. After a stroke towards the end of his life, he moved to Camden, New Jersey, where his health further declined. When he died at age 72, his funeral

became a public spectacle....  
*LEAVES OF GRASS*  
 Createspace Independent Publishing Platform  
 "Of Life immense in passion, pulse, and power, Cheerful, for freest action formd under the laws divine, The Modern Man I sing." -- from Leaves of Grass The newest in our series of bold-faced thoughts on classic works! This pocket-size, volume offers an innovative

take on a beloved American masterpiece: the first (1855) edition of Leaves of Grass, which consisted of an introduction by Whitman and merely twelve untitled poems. Though it has now passed its 155th anniversary, Walt Whitman's powerful poetry continues to inspire with its rich language, all-embracing populism, and boundless spirit. Whitman took

it upon himself to establish a bold, sensual, new literary tradition that was distinctly American--and consciously set out to be at once the quintessential American poet and the voice of the common man. Leaves of Grass remains an enduring touchstone for writers everywhere, and for anyone who wants to get in touch with his or her own creative spirit. In addition to the text, this compact volume

features highlighted passages, an introduction that relates the poems to todays perspective, and reflective writing exercises (with lined pages to write on). *Leaves of Grass* Influence Publishers This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the

original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. However, much like Emerson, Whitman does not diminish the role of the mind or the spirit; rather, he elevates the human form and the human mind, deeming both worthy of poetic praise. Leaves of Grass Sterling Innovation

One of the great innovative figures in American letters, Walt Whitman created a daringly new kind of poetry that became a major force in world literature. Leaves Of Grass is his one book. First published in 1855 with only twelve poems, it was greeted by Ralph Waldo Emerson as "the wonderful gift . . . the most extraordinary piece of wit and wisdom that America has yet

contributed." Over the course of Whitman's life, the book reappeared in many versions, expanded and transformed as the author's experiences and the nation's history changed and grew. Whitman's ambition was to create something uniquely American. In that he succeeded. His poems have been woven into the very fabric of the American

character.  
 From his  
 solemn  
 masterpieces  
 "When Lilacs  
 Last in the  
 Dooryard  
 Bloom'd" and  
 "Out of the  
 Cradle  
 Endlessly  
 Rocking" to  
 the joyous  
 freedom of  
 "Song of  
 Myself," "I  
 Sing the Body  
 Electric," and  
 "Song of the  
 Open Road,"  
 Whitman's  
 work lives on,  
 an inspiration  
 to the poets of  
 later  
 generations.

[The Complete Poetry of Walt Whitman: Leaves of Grass \(1855 & 1892\) + Old Age Echoes + Uncollected and Rejected Poems](#) Good Press Walt Whitman was a poetic Visionary. He published the first edition of this monumental work in 1855 and began his magnum opus

with the words, "America does not repel the past of what it has produced." He asserted in his declaration: America is "essentially the greatest poem." And he qualified this remark by stating that the "genius of the United States," that which is at the core, the essence of the poem of America, is "always most in the common people." Whitman wrote for and about the common

people, and wanted his work to somehow bring about a political renewal that would truly represent the grand Idea of democracy. In this book Whitman overturns centuries of Western political and social thought. Whitman's democratic vision was something so unprecedented in so many ways that his reception at first could be characterized as utter incomprehension. It is believed that

only a couple hundred people, at most, read the original 1855 edition of *Leaves of Grass* and many of these readers did not know what to make of the book. Some people were completely outraged and offended. Others were enraptured. Whitman was the self appointed poet-prophet of America and created, where he saw a lack, a new democratic religious understanding for the modern world.
