all over the

world mourned the untimely death of Freddie Mercury, lead singer of rock band Queen. But for the author, Mary Howis, her life would never be the same, as, from that day forward, she was aware of a strange presence around her; someone from the spirit world - the spirit that once was Freddie Mercury, known in the spirit world as 'the Mercury Man'. Mary had been chosen for a

special mission - to be an instrument for the spirit world, for Freddie, through which they could communicate. But why her? Why someone who, until the news reports of Freddie Mercury's death, had never even heard of him? Mary tells the story of her spiritual journey of discovery from disbelief, self-doubt and denial to an absolute conviction that what she was experiencing

was real, the messages she was receiving were true, and they were proof that life continues after death; that Freddie was still alive, in spirit form, and had much knowledge to impart to the world. Despite the ridicule she might face, Mary knew that she was destined to write this book, to tell her story - Freddie's story - to the world, in the hope that it would bring comfort and hope to those who are suffering in

their earthly bodies, who are grieving for loved ones, who are fearful of death. The message is clear: death is not the end, it is a new and exciting beginning.

 'Essential for fans and great reading for anyone else'
 Classic Rock Break-ups,

make-ups, groupies, band politics, court battles, the tragic death of Rick Parfitt . . . This is Francis Rossi as you have never seen him before. Status Quo have sold over 100 million records worldwide, including 65 hit singles and 32 hit albums. The legendary band's career has mirrored the evolution of rock music. From the struggles of the flower-power '60s, the highs of the denim-clad '70s, the coke- and

tequila-induced blur of the '80s, to fighting for musical integrity in the '90s and '00s and a fresh lease of life from new band members in recent years, Rossi has been there for the entirety of Quo's turbulent history. In I Talk Too Much, Rossi will reveal the truth behind one of the biggest rock bands of all time, as well as the personal highs and lows of a career spanning over

50 years. He lifts the lid on the man behind the music - from humble beginnings in Forest Hill and being labelled a has-been by the press in his twenties to opening Live Aid in 1985 - and why he's still going strong at seventy. Along the way he has fathered eight children with three mothers and beaten both alcoholism and cocaine addiction. Rossi comes clean about the time he almost left the band, what he

really thinks about the music industry today and the complexities of his fifty-year friendship with Rick Parfitt. Painfully honest, riotously funny and frequently outrageous, I Talk Too Much covers the glory years, the dark days and the real stories behind the creation of some of the greatest rock music of all time. Freddie Mercury Andrews UK Limited An intimate memoir of the

flamboyant Queen singer by the man who knew him best. Peter Freestone was Freddie Mercury's Personal Assistant for the last 12 years of his life. He lived with Mercury in London, Munich and New York, and he was with him when he died. In this book, the most intimate account of Mercury's life ever written, he reveals the truth behind the scandalous rumours, the outrageous lifestyle and

Mercury's relationships with men, women and the other members of Queen. From the famous names – including Elton John, Kenny Everett, Elizabeth Taylor and Rod Stewart – to the shadowy army of lovers, fixers and hangers-on, Peter Freestone saw them all play their part in the tragic-comedy that was Freddie Mercury's life. Freestone lived with Mercury in Europe and

America for over a decade. From the East 50s apartment in New York to Kensington Lodge, the house in London where Mercury died – not to mention innumerable international hotel rooms and apartments in between – Freestone was always on hand to serve and protect the man he had first met in the Biba department store in the early 1970s. Then Queen was a largely unknown band. Soon it

would be the most glitzy of glam rock bands. Freestone saw the fame arrive and with it the generosity, the excess, and the celebrity friends who came and went. "I was chief cook and bottle washer, waiter, butler, valet, secretary, amanuensis, cleaner, baby-sitter... and agony aunt," he writes. "I shopped for him both at supermarkets and art markets, I travelled the world with

him, I was with him at the highs and came through the lows with him. I saw the creative juices flow and I also saw the frustration when life wasn't going well. I acted as his bodyguard when needed and in the end, of course, I was one of his nurses." Freestone's bet-selling account of a talented and extravagant star's life and death is compelling, entertaining and ultimately,

very touching. Illustrated with many photos from personal and Freestone's own archives. Press Reviews "An entertaining and thought provoking read" - PRS for Music Sales "This collection of Freddie's own words is the closest thing there is to an autobiography of a man with no regrets. The foreword is written by his mother" - reFRESH magazine, Leading Gay mag in the UK *Freddie Mercury*

Sourcebooks, Inc. The story of a man whose music changed the world. Farrokh Bulsara was a young boy who loved music and was known for being quiet and kind, even when people made fun of his unusual teeth. Aurum
In November 1991, the world was shocked by the death of one of rock's most flamboyant and adored superstars. Freddie Mercury's unique blend of brilliant musicianship and outrageous showmanship put Queen at the top of the charts for years, and the recent popularity of Wayne's World put them back on the charts. 16

pages of photos. *Freddie Mercury: An Intimate Memoir by the Man who Knew Him Best* Independently Published In this book from the critically acclaimed, multimillion-copy bestselling Little People, BIG DREAMS series, discover the life of Freddie Mercury, the trailblazing musician who rocked the world! Born on the tiny island on Zanzibar off the coast of modern-day

Tanzania, young Farrokh dreamt of having a fabulous life. When his parents sent him to boarding school in India, he discovered his true talent for singing, as well as a love of playing rock'n'roll songs on the piano. After school, Farrokh knew he wanted to be a musician. After moving to London, he became the singer of a rock band called Queen... and the rest is history!

Freddie became the biggest glam-rock star ever, touring the world and charming the world with his exuberant zest for life. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the musician's life. Little People, BIG DREAMS is a bestselling series of books and

educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud

to babies and toddlers. The hardback versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding

people who will change the world with Little People, BIG DREAMS! *The Mammoth Book of Freddie Mercury and Queen* Weldon Owen
An intimate look at the life of Freddie Mercury, the iconic singer of Queen, featuring interviews with close friends and rare photographs revealing facts about his personal life, search for love, and his tragic battle with HIV/AIDS. With four new chapters,

Somebody to Love pays tribute to an extraordinary life. Freddie Mercury's untimely death at the age of 45 in 1991 revealed his hidden battle with AIDS, shocking the world and shedding light on the devastating impact of the disease. In *Somebody to Love*, authors Matt Richards and Mark Langthorne interweave Mercury's pursuit for musical greatness with Queen, his personal

struggles and quest for love, and the origins and aftermath of the AIDS epidemic that swept the globe in the 1980s. Four new chapters in this revised and updated edition bring fresh insights into the legacy of Freddie Mercury, the future of Queen, and the lasting impression he continues to make on fans around the world. Freddie Mercury: A Kind of Magic Z2 Comics
A beautifully

illustrated biography of the iconic lead singer of the British rock band, Queen. The music of Queen and powerhouse lead singer Freddie Mercury are best experienced with the volume turned all the way up. Alfonso Casas's *Freddie Mercury* delivers a sonorous homage to the formidable singer and the turning points that produced a game-changing body of music that continues to

inspire fans around the globe. First published in Spain and now available worldwide, this luminous work covers Freddie's three "births:" his birth as Farrokh Bulsara in Zanzibar; his adoption of the last name of Mercury and the launch of Queen with Brian May and Roger Taylor; and the emergence of the lasting legend after Freddie's death at the age of forty-five. Casas's evocative

illustrations highlight the key moments in the singer's transformation from child prodigy to superstar, bringing to life the bold innovator who broke free of his conventional upbringing. Chronicling events from Freddie's marriage to Mary Austin and early fame in London's 1970s glam scene, to the making of multiple megahits (including the six-minute chart-topper "Bohemian

Rhapsody"), to his final years in a lasting relationship with Jim Hutton, Freddie Mercury is an exhilarating, poignant portrait of a creative genius who lived life to the hilt. "Through Casas' evocative and vibrant illustrations, [Freddie Mercury] tells the story of Freddie Mercury's three "births:" from his childhood, growing up as Farrokh Bulsara in

Tanzania, to Queen's launch to his death at 45." —Alcalde "A beautifully illustrated biography of Freddie Mercury . . . Casas lovingly presents a creative take on the life of Freddie Mercury through the use of dozens of vibrant drawings." —OutWord Magazine "[Freddie Mercury] is an appealingly modest book: Casas aims to let Mercury shine, but his striking illustrations shine in their

own right as well." —The Current *Mercury* Bosworth Music Behind-the-scenes stories and sophisticated artwork will give lifelong buffs and new fans alike a rare glimpse into the world of one of the most iconic and famous rock bands ever, Queen! From Freddie Mercury's childhood in Zanzibar and the early days of the band in London, to epic concerts and worldwide stardom, prepare to

experience a theatrical event—the story of Queen. Readers of all ages will love reading about Freddie, Brian, Roger, and John; their immortal music, and the shared dream that made them legends. *The Extraordinary Life of Freddie Mercury* Omnibus Press Biography of Freddie Mercury lead singer of the rock group Queen. DEFINITIVE, UP-TO-DATE BIOGRAPHY OF FREDDIE MERCURY**

'An outstanding biography. . . a fitting testament to the creative genius' -- Daily Mail

'Touches all manner of intriguing rock 'n' roll debauchery. . . fascinating reading' -- Time Out

This fascinating biography of Freddie Mercury has received outstanding acclaim from Queen and rock fans worldwide -- now revised and updated to coincide with the release of the film about his life, *Bohemian Rhapsody*.

Born Farrokh Bulsara on the island of Zanzibar, Freddie Mercury rose to worldwide stardom as the lead singer of Britain's biggest music act of all time. In this bestselling biography, Laura Jackson reveals the reality behind Queen's flamboyant frontman and lead singer, as she looks behind his unique brand of showmanship to discover who Freddie Mercury really was. Featuring exclusive interviews with some of those closest to Freddie right up until his tragic death, original Queen members and many others -- including new and intimate stories from Tim Rice, Richard Branson, Cliff Richard, Bruce Dickinson, Mike Moran, Wayne Eagling, Zandra Rhodes and Susannah York

-- this is the definitive biography of one of rock's greatest legends. *Somebody to Love [Reissue]* Penguin UK Freddie Mercury was an iconic singer who was hugely popular throughout his brilliant music career, as the lead singer of Queen and as a solo artist. The world mourned his untimely death in 1991, but he was incredibly prolific and left behind a rich legacy of recordings, not all of

which have been released to date. The twentieth anniversary of Freddie's death will see the reissue of *Barcelona*, the groundbreaking album he recorded with Montserrat Caballé, and everyone is talking about the movie that stars Sacha Baron Cohen as Freddie Mercury. In addition, Queen remains one of the most popular bands in history. This lavishly illustrated book celebrates one of the key

players in the influential British music scene. Freddie's colorful life is lovingly and painstakingly recounted in photographs and insightful text. Famed as an electric showman with no equal, these images capture the man in the moment, through many stages of his incredible life. Freddie Mercury Createspace Independent Publishing Platform Freddie Mercury was rock's most dazzling

showman, a legendary entertainer who in 1991, at the age of just forty-five, became the first major music star to die of AIDS. Mercury's soaring four-octave voice was a defining element in Queen's unique sound, crucial to the success of the band's fifteen studio albums, from Queen (1973) to Made in Heaven (1995). He was also a supremely talented songwriter and musician who wrote

many of the band's greatest hits, including 'Killer Queen', 'We Are the Champions' and their biggest triumph, the epic anthem 'Bohemian Rhapsody'. As a solo artist he released two acclaimed albums: Mr. Bad Guy in 1985 and the operatic 'Barcelona' with Spanish soprano Montserrat Caballé in 1988. Mercury's extraordinary charisma was perhaps best seen in his imperious live

performances, in which he'd hold vast stadium crowds to rapturous attention. His outrageous theatrics, physicality and over-the-top costumes led one commentator to describe him as 'a performer out to tease, shock, and ultimately charm his audience with various extravagant versions of himself'. He pushed the limits of camp in everything he did. His extreme behaviour, in

a society in which being gay was only starting to be accepted, just added to Freddie Mercury's allure. With expert understanding, Mark Blake traces Mercury's life from his childhood in Zanzibar and India to his untimely death, and charts his astonishing achievements including in Queen's world-conquering performance at Live Aid in 1985. In the year that marks what

would have been his seventieth birthday, Freddie Mercury: A Life celebrates a remarkable life, lived to the fullest. Featuring revealing interviews with fellow musicians, producers and collaborators, and a detailed discography and timeline, this is a memorable tribute to a unique recording artist and an irreplaceable performer who rocked the world. *Somebody to Love.*

Biography of Freddie Mercury University of Texas Press Queen are unique among the great rock bands. It is nearly twenty years since frontman Freddie Mercury's death brought the band to an end - yet their fanbase remains massive. They appeal equally to men and women. Their fans are just as likely to be teenagers too young to have been born when the band were still touring and making

records (thanks not least to the huge success of the musical *We Will Rock You*). And their musical history is one of constant reinvention – from heavy metal and prog rock to disco pop, stadium anthems and even jazz influences. Now, Mark Blake, the experienced Mojo journalist who wrote Aurum’s bestselling book on Pink Floyd, has written the definitive history. Having

already interviewed the surviving band members over the years, he has now tracked down dozens and dozens of new interviewees, from Queen’s first long-forgotten bass players to Freddie Mercury’s schoolmates in Isleworth, Middlesex, to trace Queen’s long career from their very first gawky performances in St Helens through their sensational stage-stealing appearance on Live Aid to

the band’s collaboration with Paul Rodgers at the beginning of the century. Full of fascinating new revelations – especially about the improbable transformation of a shy Asian schoolboy called Bulsara into the outrageous-living hedonist that was Freddie Mercury – this is a book every Queen fan will want to have. Freddie's
outlook or
comments
about life now
come from a
different
perspective as
he has passed
over. He views
his life from
this new
existence.
This book is a
record of his
new
perspective, it
is charming,
witty and
spiritual. Once
passed,
Freddie
experiences
what is known
as a viewing.
Simply said it
is the newly
attained
ability of the
one who has
passed to
view their own
life without
judgement
and with
clarity of
understanding
. This book is
not a
biography as
we will not tell
you where
Freddie ate or
had his hair
cut. It is not
the purpose
for this book
as the facts
are easily
available on
the internet.
The sole
purpose of
this work is to
relay the
information
Freddie
passed to us
through
questions and
answers. This
is a true
account of his
perspective on
life from his
new position
in the spiritual
world. How he
viewed
himself in his
physical life,
may not at
times,
resemble his
viewpoint
now. We
thank you on
advance and
you can be
assured these
are the words
of Freddie. We
met Freddie
Mercury early
one morning
in late
February
2013. Sussan
and I had
talked about
the possibility

of making contact with him on the previous day and she felt he was agreeable to come through. Channeling is about the host (Sussan) matching her vibration to the energy of the non-physical entity, in this case Freddie. Once this occurs the host relaxes and allows the non-physical entity to come through her and use her library of words and emotions to express themselves. I immediately

found strength in Freddie's direct and unashamed answers, he spoke without hesitation, he was in charge and knew exactly what his life was all about. I can only describe him as a 'straight shooter' as he talked freely about all the subjects we asked. He spoke about his early days at school in India, family, sister and the beginnings of the band Queen. It was especially important to Freddie that we included

discussions about all the members of the band and that we do not leave anyone out, as he reiterated, we were all part of the success of Queen. We discussed Mary Austin, the love of his life and had a number of discussions on Brian May. Freddie described Brian as someone 'who would blow us all away' with his knowledge and understanding of the world, the universe and everything in between. It

was Brian who gave Freddie great solace about the passage of his passing into the afterlife. We laughed, we cried as Freddie told us of his sexuality and views on life, we had an education into the world of the superstar, nothing was left out. At one stage with tears in our eyes he gave an invitation to Brian to join us all at a dinner party in Freddie's honor and in his usual flamboyant style, told us

to set his place at the table and said, "Have a drink to life for me." If you are a fan of Freddie Mercury or just curious you will find many answers about his life that have not been found or discussed in his biographies. You will laugh and cry, you might even sing a verse or two as Freddie talks to us from beyond the grave as we remember a man who reached the pinnacle of musical success. But

this is not all about Freddie, it is also about the ones he left behind, the band, the soul mate and the lovers. So join us on an expedition into the world of Freddie Mercury and like us, you will feel something incredibly special for the experience.

Freddie Mercury
Carol Publishing Corporation
Freddie Mercury was one of the best performers of his generation. Now read the

story behind the legend. His childhood in the paradise island of Zanzibar, his exile to England, and then going on to become the front man for one of the greatest bands of all time Queen. This special comic book is a tribute of his life and accompaniments he made to the world of music.

Somebody to Love Frances Lincoln Children's Books For over twenty years, Freddie

Mercury ruled supreme as the frontman and lodestar of one of the most popular, colourful and biggest-selling bands in rock history. From their debut album in 1973 to the release of Innuendo in 1991, Queen--Freddie Mercury, Brian May, Roger Taylor and John Deacon--- charted an astonishing forty-one Top 40 singles, including three number ones. Of the nineteen albums they released, eight reached number one.

And throughout this hugely successful time, there was Freddie Mercury--- extroverted, phenomenally gifted, flamboyant showman--- wowing each successive audience and listener with his superb vocal pyrotechnics and extraordinary shows. In this affectionate and revealing updated biography, David Bret presents a completely rounded portrait of the megastar still

mourned by millions, twenty years after his death. Based on exclusive interviews with Mercury's close friends, fellow musicians and lovers who have spoken with great warmth of his loves, heartbreaks, triumphs and anxieties, Bret traces the spectacular life of this rock icon, from his obscure youth in a remote part of India to his final, courageous battle against AIDS---the terrible disease that

robbed the world of one of its greatest stars. Freddie Mercury: More of the Real Life Bonnie Zaffre **FREDDIE MERCURY: BOHEMIAN RHAPSODY: A Freddie Mercury Biography**"Don't Stop Me Now," released in 1979, is one of Queen's biggest hits - a well-loved upbeat rock classic of defiant lyrics and a feel-good tune that has since become an anthem for blustering

confidence, swagger and hedonism. Among its choicest lyrics - "I'm a shooting star leaping through the sky." It is an iconic song penned by Queen's iconic frontman Freddie Mercury, an artist who defied the odds and became a superstar. For how many people can claim all that he had somehow accomplished in his too-short life: He was a person of foreign descent, the

son of India-born Parsis, and hailing from the British protectorate of Zanzibar. Their family fled amid political upheaval and settled in London at a time of racial wariness against immigrants. He was a man of complex sexuality, enmeshed in both passionate, committed romances but also dalliances; with females but also with males, at a time of homophobia.

He was either by professional necessity or core nature, a private person even amongst his closest family and friends, but also lived a very public, exuberant life. He was HIV-positive and dying of AIDS while a thriving, working artist - at a time of fear, misunderstanding and brutal stigma against the disease and its sufferers. He died young, only at the age of 45... yet continues to

be relevant. His music lives on, widely used on television, film, and the soundtracks of the everyday lives of people. His image has become iconic, his personality, larger-than-life; legendary. This is the life of unstoppable, immortal Freddie Mercury, "Mister Fahrenheit," the star that shot across the sky who 'turned the world inside out' and 'defied the

| | | |
