Most students entering an electronics technician program have an understanding of mathematics. Basic Electronics Math provides a practical application of these basics to electronic theory and

circuits. The first half of Basic Electronics Math provides a refresher of mathematical concepts. These chapters can be taught separately from or in combination with the rest of the book, as needed by the students. The second half of Basic Electronics Math covers applications to electronics. Basic concepts of electronics math Numerous problems and examples Uses real-

world applications

 Saraswati Health and Physical Education is a much acclaimed and popular series in Health and Physical Education. The series demonstrates a deep understanding of the principles and concepts related to the subject while providing students with all the pedagogical tools necessary for comprehension and application. The fully

revised edition, which includes all the latest developments in the field, in its colourful avatar will not only enhance the teaching-learning process but will also make it more enjoyable.

**Topi Shukla** SBPD Publications

An amusing chronicle of the tribulations of the Ghost of Canterville Chase when his ancestral halls became the home of the American Minister to the Court of St. James.  
 Ramesh Publishing House  
 Primary School English Grammar & Composition

(PSEGC) and Middle School English Grammar & Composition (MSEGC) is a set of two books designed to be used as a prequel to the highly popular English grammar reference book, High School English Grammar & Composition. Both PSEGC and MSEGC provide ample guidance and practice in sentence building, correct usage, comprehension, composition and other related areas so as to equip the learners with the ability to communicate effectively

in English.

A number of national level examinations like IAS Mains, State PCS, IES, IFS, etc. check the English language aptitude of candidates with a compulsory English language paper. This book has been designed for such examinations which assess the English language abilities in detail. The present book covering English Language in descriptive nature has been divided into four parts namely

Writing Skills, Comprehension Skills, Grammar Skills & Verbal Skills. Part A has been further divided into Essay Writing, Expansion Writing, Report Writing, Precis Writing and Letter Writing. The Verbal Skills section covers Paronyms & Homonyms, One Word Substitutions, Synonyms & Antonyms, Phrasal Verbs, etc. whereas the Grammar Skills section covers The Function of Tenses, Voice, Narration, Synthesis, Prepositions, etc. Each chapter in the book contains detailed

theory including a number of sample examples in a simple & easier way to understand the topics well. Workbook Exercises have been provided in between the chapters for Part B, C & D to help aspirants practice the concepts discussed in each chapter. Answers for all the questions have been given at the end of the section. As the book covers varied aspects of English language, it for sure will help aspirants score high in the upcoming national and state level competitive

and recruitment examinations.

*Communalism and the Writing of Indian History*  
Elsevier

The general approach and aim of this book is to provide a brief comprehensive study of elementary nuclear physics in a coherent, simple and lucid manner. The book contains eight chapters covering topics which are generally common for undergraduate students. SI systems of units have been use in this book.

"Set in Aligarh in the early

1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays

an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--

*Our Runaway Kite* S.

Chand Publishing

A towering figure in  
twentieth-century theatre  
in India, Habib Tanvir was  
an actor, director and  
playwright, working in  
Hindi and Urdu. He  
founded Naya Theatre in

1959, through which he created remarkable works, drawing on the history and traditions of the tribal folk of Chhattisgarh. This book brings together four of his most significant plays. *Agra Bazar* (1954), set amid the bustle of a colourful street market, is woven together by the wonderfully human voice of the poet Nazir, and examines important cultural and socioeconomic issues of the period. *Charandas Chor* (1975), Tanvir's most famous work, is

about a folk hero who robs the rich and evades the law until he comes up against one wall he cannot scale--his own commitment to the truth. In *Bahadur the Wine-Seller* (1978), Tanvir reinvents a nearly forgotten Chhattisgarh folk tale about a mother-son relationship in which he finds echoes of Oedipus, while in *The Living Tale of Hirma* (1985), he dramatizes a historical event in which a headstrong ruler of an Indian tribe clashes with a population who want to

replace the tribal way of life with newfound ideals of democracy. Enriched by introductory texts and an intensive interview with Tanvir that covers the milestones of his illustrious career, the book will be the perfect introduction to Tanvir's work for English-language theatre fans and scholars--back cover.

*Twelfth Night, Or, What*

*You Will* FV Éditions

*My Days* is the only memoir from R.K.

Narayan, one of the twentieth century's most important writers in the

English language. This edition includes a foreword by John Updike. In the wryly funny style that has made him famous, R.K. Narayan shares his life story, beginning in his grandmother's garden in Madras with a ferocious pet peacock. As a young boy with no interest in

school he trains grasshoppers and scouts and then, against the advice of all, especially his commanding headmaster father, the dreaming Narayan begins to write fiction. When one of his pieces is accepted by Punch magazine, what he describes as his 'first prestige publication', his

life becomes gradually filled with bumbling British diplomats, strange movie moguls, evasive Indian officials and 'the blind urge' to fall in love. Like his fiction R.K. Narayan's memoirs are acutely perceptive of the human condition, often brilliantly funny and always forgiving.
