civilization; presents a vision of our true destiny as guardians of Earth and free-willed, conscious participants of our evolving world"--Provided by publisher.
Markawasi Simon and Schuster
 Teaches the traditional Quero Apache meditative

practice of entering the silence--a combination of prayer, meditation, and breathwork--as a path to spiritual healing and enlightenment • Contains 24 prayer wheels from the Quero Apache tradition • Offers easy-to-follow instructions for how to conduct the practice •

Provides rare insights into the spiritual philosophies and rituals of the Quero Apache • Written by a living descendant of Apache prophet Nochaydelklinne The Quero Apache Snake Clan, or Tlish Diyan, center their spiritual practice on the daily ceremony of Doowaa-gon'ch-aada, "entering the silence." A combination of meditation, breathwork, and prayer, Doowaa-gon'ch-aada offers an experiential connection to All That Is from the Earth-based spiritual traditions of indigenous America. When performed properly, this ritual becomes a path to self-realization and transcendence. Prayers and Meditations of the Quero Apache explains how to establish a personal practice. In addition to 24 prayer wheels, easy-to-follow instructions for the ritual, and accompanying pieces of inspirational artwork, the book includes a rare overview of the spiritual philosophies of the Quero Apache. The author incorporates her own stories and essays into the text in order to share the wisdom she has gained as daughter of the Tlish Diyan, granddaughter and apprentice of Apache holy

man Ten Bears, and descendant of the prophet Nochaydelklinne.

Where Pharaohs Dwell Ringing Cedars Press LLC A compelling new portrait of the lost realm of Lemuria, the original motherland of humanity • Contains the most extensive and up-to-date archaeological research on Lemuria • Reveals a lost, ancient technology in some respects more advanced than modern science • Provides evidence that the perennial philosophies have their origin in Lemurian culture Before the Indonesian tsunami or Hurricane Katrina's destruction of New Orleans, there was the

destruction of Lemuria. Oral tradition in Polynesia recounts the story of a splendid kingdom that was carried to the bottom of the sea by a mighty "warrior wave"--a tsunami. This lost realm has been cited in numerous other indigenous traditions, spanning the globe from Australia to Asia to the coasts of both South and North America. It was known as Lemuria or Mu, a vast realm of islands and archipelagoes that once sprawled across the Pacific Ocean. Relying on 10 years of research and extensive travel, Frank Joseph offers a compelling picture of this motherland of humanity, which he suggests was the original Garden of Eden. Using recent deep-sea archaeological finds, enigmatic glyphs and symbols, and ancient records shared by cultures divided by great distances that document the story of this sunken world, Joseph painstakingly re-creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather, defy gravity, and conduct genetic investigations far beyond

what is possible today. When disaster struck Lemuria, the survivors made their way to other parts of the world, incorporating their scientific and mystical skills into the existing cultures of Asia, Polynesia, and the Americas. Totem poles of the Pacific Northwest, architecture in China, the colossal stone statues on Easter Island, and even the perennial philosophies all reveal their kinship to this now-vanished civilization.

EXOPOLITICS is the evolution of Alfred Lambremont Webre's

groundbreaking work as a futurist at the Stanford Research Institute, where in 1977 he directed a proposed extraterrestrial communication study project for the Carter White House. Exopolitics may turn the dominant view of our Universe upside down. It reveals that we live on an isolated planet in the midst of a populated, evolving, and highly organized inter-planetary, inter-galactic, and multi-dimensional Universe society. It explores why Earth seems to have been quarantined for eons from a more evolved Universe society. Exopolitics suggests specific steps to end our isolation, by reaching out to the technologically and spiritually advanced civilizations that are engaging our world at this unique, challenging time in human history.

Little Fairy's Christmas

Sterling Publishing Company Incorporated
David Icke marks his 20th year of uncovering astounding secrets and suppressed information with the publication of his most amazing book yet: *Human Race Get off Your Knees : The Lion Sleeps No More*. He takes the manipulation of the human race and the nature of reality to still new levels of understanding and he calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. His most staggering revelation is that the Earth and the collective human mind is manipulated from the Moon, which, he says, is

not a 'heavenly body, but an artificial construct - a gigantic 'spacecraft' (probably a hollowed-out 'planetoid') - which is home to the extraterrestrial group that has been manipulating humanity for aeons. Humanity is at a fork in the road and it is time to make a choice. Are we going to awaken to our true genius and potential as Infinite Consciousness? Or are we going to remain entrapped in body/mind and the manufactured illusions of the Moon Matrix? It is time to shake off the shackles, stop being Pavlov's dogs and grab reality by the balls and wake up to who we are truly meant to be.

Legends and Prophecies of the Quero Apache

Volume Edizioni srl
First published in its English translation during World War II in 1944, the first part of this book is composed of lectures originally delivered (in German) during the pre-war period, whilst the second part of the book represents author Franz Werfel's present point of view, arriving at the difficult conclusion that "complete human detachment is the first psychological symptom of spirituality..." "The

outstanding contribution of this book is its frank rejection of the materialistic philosophy and an emphasis in favor of the spiritual interpretation of life.

There are beautiful passages written with characteristic artistry."—Kirkus Review

An insider's look into the decades of research behind Zecharia Sitchin's books as well as an in-depth overview of his theories and discoveries • Includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures • Each piece includes an introduction, offering context and insight into Sitchin's passionate work and revealing the man behind the theories • Explains the genesis of The 12th Planet, the Anunnaki influences on the Sumerian civilization, the orbit of Nibiru, the prehistory of the Americas, the extraterrestrial origins of modern man, and much more What if the tales from the Old Testament and other ancient writings, such as those from Sumer, Babylon, Egypt, and Greece, were not myths or allegory but accounts of actual historical events? Known for his ability to read and

interpret ancient Sumerian and Akkadian clay tablets, Zecharia Sitchin (1920-2010) took the words of our most ancient ancestors as fact and, through decades of meticulous research, showed that they revealed a coherent narrative about the true origins of humanity and civilization. Drawing both widespread interest and criticism, his Earth Chronicles series of books, beginning with The 12th Planet, detailed how humanity arose after the arrival of the Anunnaki ("those who from Heaven to Earth came"), alien "gods" who created modern man in their own image and imparted gifts of civilizing knowledge. Providing an insider's look into the decades of research behind Zecharia Sitchin's complete works as well as an in-depth overview of his theories, this collection includes carefully selected chapters from the Earth Chronicles series as well as never-before-published letters, articles, and lectures. We learn about the genesis of The 12th Planet in "The Book as a Story," the Sumerians and their Anunnaki influences in "The Sudden Civilization," the orbit of Nibiru in "UFOs, Pyramids,

and the 12th Planet," the prehistory of the Americas in "Cities Lost and Found," the extraterrestrial origins of modern man in "The Cosmic Connection--DNA," and much more. We get to read never-before-published lectures, culled from Sitchin's decades of presentations, as well as the article that spurred the writing of There Were Giants Upon the Earth. Each piece includes an introduction by Sitchin's niece, offering context and insight into Sitchin's passionate work. These introductions reveal the man behind the theories, a world traveler known for his scholarship, dry humor, and precisely chosen words. If his theories are true, as Sitchin wholeheartedly believed, then this collection presents some of the most important knowledge we have of our origins and future.

Problems of Mysticism and Its Symbolism

Simon and Schuster Teachings from the Sirian High Council to help humanity as we merge into the 4th dimension • Shares empowering insights and revelations from six-dimensional Sirian Light Emissaries to help us understand the darkness and focus on light for all humanity and the earth • Explains what we are undergoing right now around the globe, including the rush to merge the human mind with artificial intelligence, ET disclosure, and the dark forces that are losing their grip on our planet and humanity • Offers Sirian guidance for surviving our imminent collective ascension and awakening en masse to new levels of conscious awareness In 1996, while visiting the Julia Set crop circle in England, Patricia Cori experienced a

galactic out-of-body journey—a transformational awakening that attuned her to a group of interdimensional light beings known to her as the Sirian High Council. Serving as their scribe now for more than 25 years, she shares the insights and teachings of these six-dimensional Sirian Light Emissaries to help humanity as we merge into the fourth dimension and face our collective karma—the source of so much of the dramatic events now unfolding around the world. Sharing new revelations that affirm the veracity of past prophecies as well as transmitting new visions for the human race, Cori's messages from higher realms empower readers to peer fearlessly into the darkness, to understand it, and to focus on the light for all humankind and the earth. She explains how the Sirians hold us to our responsibility as guardians of this planet, with sound direction and advice for how to survive our imminent collective ascension and global awakening to new levels of conscious awareness. The Sirians' discussions

explain what we are undergoing right now and delve into many of the most crucial issues of our time, including the rush to merge the human mind with artificial intelligence, ET disclosure, cloning, the slipping of time, and the dark forces that are losing their grip on our planet and humanity. As the struggle between darkness and light is being fought at every level, Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into illuminated states of consciousness and the light of planetary renewal.
