## SAVANAH BALLARD

---

*Playing with Power in Movies, Television, and Video Games* Bloomsbury Publishing  
 Your no-nonsense, consumer-oriented guide to Disney's Cruise Line The Unofficial Guide to the Disney Cruise Line by Len Testa with Erin Foster, Laurel Stewart, and Ritchey Halphen describes the best of Disney's ships and itineraries, including a couple of stellar restaurants, top-notch children's activities, and Castaway Cay, one of the best vacation islands in the Caribbean. The book also lists which on-board entertainment and restaurants should be skipped, including recommendations on what to do instead. Along the way, this indispensable travel companion shows how to save money; choose the right stateroom, ship, and

itinerary; and get to and from the cruise with ease. The guide also provides full coverage of the Disney-run European river cruises and includes itinerary and port guides.

### Children of Hooverville NHB Modern Plays

From its first publication as a fairy tale told by Hans Christian Andersen, The Little Mermaid has been enthralling children and adults alike with its story of the transforming power of love. In 1989, Disney put little Ariel on film, gave her flaming red hair and an Oscar-winning musical score, and, in the process, reinvented the animated feature as a viable art form. Now the creative powers at Disney have reimagined the mermaid and her friends again, bringing one of Disney's most beloved princesses to the stage. The Little Mermaid: The Story of a Tale is a look at the process of morphing a

19th-century story and a 20th-century film into a stage event for the 21st century. This oversized, profusely illustrated book traces the evolution of The Little Mermaid from its inception in Denmark, through its triumphant animation, to the hit Broadway stage version now playing in New York. In addition to photographs of the show and its rehearsals, the book will explore the creative process with extensive looks behind the scenes. Writer Michael Lassell interviews Francesca Zambello and choreographer Steven Mear, writer Doug Wright and composer Alan Menken, designers George Tsypin and Tanya Noinova as well as all the stars in the show's extraordinarily talented cast. This is a grown-up book for children of all ages. [How Does the Show Go On](#) The Unofficial Guides

In its 114th year, Billboard remains the world's premier weekly music publication

and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*Reader's Digest ... Almanac and Yearbook* Nedward LLC

In 2008, combined Walt Disney World Resort® theme park attendance reached over 51 million, with the Magic Kingdom alone drawing over 17 million visitors. (Orlando Convention and Visitor Bureau) Despite significant downturns in the economy Disney theme parks have maintained attendance rates and made gains in attendance at some parks. Walt Disney World Resort theme parks are rated best in the world, earning high marks for things outside of the traditional theme park experience. Epcot's International Food & Wine Festival, which takes place for six weeks every fall and showcases food from twenty-five countries, was rated by Forbes Traveler as one of the Best U.S. Food and Wine Festivals.

### **Writing Adaptations and Translations for the Stage**

*Confessions of a Casting Director* is a must-have for any aspiring actor or stage parent—the definitive guide to breaking into film, television, theater, and even YouTube from longtime casting director and studio executive Jen Rudin. Packed with information that aspiring actors want, her up-to-the-minute expert advice is essential for anyone pursuing an acting career. Jen Rudin demystifies the often intimidating and constantly changing audition process, sharing insider tips on preparing for every type of audition: musical theater, television (including commercials and reality TV), and film to voiceovers, animated movies, and even web series. In this comprehensive guide, Rudin covers everything today's actor needs to succeed, including finding an agent or manager; using technology to your advantage; the demanding world of child acting; the pros and cons of New York vs. LA; turning a callback into an offer for the role, and much more. Every actor should walk into an audition room feeling confident and prepared, and this book is full of the Dos and Don'ts, sure-fire tricks, and must-have information to help turn rejection into that first big break. Complete with checklists, easy-to-follow game plans, and advice from real actors, agents, and entertainment industry professionals, *Confessions of a Casting Director* is like having your own private audition coach.

*Beautiful to Me* Dramatic Publishing

This is the most comprehensive and insightful reference available on Broadway theater as an American cultural phenomenon and an illuminator of American life. *Broadway: An Encyclopedia of Theater and American Culture* is the first major reference work to explore just how much the "Great White Way" illuminates our national character. In two volumes spanning the era from the mid-19th century to the present, it offers nearly 200 entries on a variety of topics, including spotlights on 30 landmark productions—from *Shuffle Along* to *Oklahoma!* to *Oh Calcutta!* to *The Producers*—that not only changed American theater but American culture as well. In addition, *Broadway* offers thirty extended thematic essays gauging the powerful impact of theater on American life, with entries on race relations, women in society, sexuality, film, media, technology, tourism, and off-Broadway and noncommercial theater. There are also 110 profile entries on key persons and institutions—from the famous to the infamous to the all but forgotten—whose unique careers and contributions impacted Broadway and its place in the American landscape.

*Orange Coast Magazine* Wiley

Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, *The Unofficial Guide to Walt Disney World* digs deeper and offers more than any other guide. *The Unofficial Guide to Walt Disney World* explains how Disney World works and how to use that knowledge to make every minute and every dollar of your vacation count. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of travel by unambiguously rating and ranking everything from hotels, restaurants, and attractions to rental car companies. With an *Unofficial Guide* in hand, and authors Bob Sehlinger and Len Testa as guides, find out what's available in every category, from best to worst, and use step-by-step detailed plans to help make the most of time at Walt Disney World.

*Between the Lines* Univ of California Press

How do children today learn to understand stories? Why do they respond so enthusiastically to home video games and to a myth like Teenage Mutant Ninja Turtles? And how are such fads related to multinational media mergers and the "new world order"? In assessing these questions, Marsha Kinder provides a brilliant new perspective on modern media.

*Literature and the Child* \*Frommers

*From Morning To Midnight*, among the most frequently performed German Expressionist works, charts the life of a cashier who steals money from the bank and flees to Berlin. The un-named protagonist's bid to escape his middle-class daily life is ultimately frustrated. It is a popular piece in which Kaiser satirized the cheapness and futility of modern society. His hero, a kind of machine-age Everyman, searches everywhere for some kind of fulfillment - in commercial sex, in salvationist religion - but discovers through a series of nightmarish episodes that the world is deceitful and illusory. In the end, disillusioned and pursued by the police, he takes his own life. This new version by Dennis Kelly, opened at the National Theatre's Lyttelton Theatre in November 2013, as part of the National's 50th Anniversary Season.

*Disney: The Little Mermaid* Simon and Schuster

A bold reimagining of Hans Christian Andersen's tale of love, loss and desire, transported to a contemporary setting. Beneath the ocean's waves there is no death or pain or separation. Above, the modern world is beset with war, poverty and desire. On her sixteenth birthday, a mermaid rises to the surface and falls in love with a mortal prince.

*American Theatre* Harper Collins

An introduction to the theater that includes everything from backstage, cast, behind the scenes information, the building, to the actual productions.

Today's early literacy programs are more demanding than ever. No longer is it sufficient to teach letters, letter sounds, sight words, and simple texts in kindergarten through second grade.

Children are expected to read and comprehend texts in a variety of genres with increasing complexity. Then they must integrate the ideas and concepts from those texts into their own writing.

Two Books are Better Than One: Reading and Writing (and Talking and Drawing)

Across Texts in K-2 helps teachers meet those demands. Each chapter contains an anchor lesson focused on a different way

of connecting texts, including: by theme, characters, perspective, structure, or genre. The lessons feature research-based and common core aligned strategies: interactive read-alouds; shared reading and writing; scaffolded small group reading; accountable talk; close reading; and opinion, narrative, and explanatory writing. Each anchor lesson features two high-quality children's books, and each chapter is rounded out with a list of other recommended book pairs to support you in creating your own lessons.

*The Little Mermaid* Taylor & Francis

Elena lives near a small town in western Guatemala. She lives there with her mother, her younger brother, Luis, and her baby sister, Ana. Her father is far away, working on a plantation. Elena struggles to keep up in school. Her teacher says she needs to practice her reading, but it's hard to find time to read. She must help her mother with the cooking and housework, as well as the hard work of planting and weeding their garden. As the big sister Elena is also in charge of watching over Luis to keep him out of mischief. It isn't

always easy and she gets impatient with her little brother. But at the end of the day, when Elena shares a book with Luis, carefully sounding out the words, she comes to better understand and appreciate her role in the family.
