The 20th anniversary edition of Now, Discover Your Strengths comes with an access code to the Clifton StrengthsFinder 2.0 assessment. This updated assessment includes reports and resources that go far beyond the standardized reports of the

older assessment by providing you with personalized insight statements unique to your specific combination of strengths. The original publication of *Now, Discover Your Strengths* in 2001 launched a worldwide strengths revolution. To date, more than 20 million people have discovered their strengths, and tens of thousands more are discovering theirs every week. Gallup Press has published numerous strengths-based books, and Gallup Strengths Center has become a worldwide destination for strengths-based development. Since the book's release, Gallup has continued to dedicate countless hours to developing our strengths science, the brainchild of the late Dr. Donald O. Clifton, who was named Father of Strengths-Based Psychology by the American Psychological Association. Part of that investment resulted in Clifton StrengthsFinder 2.0 -- a refined upgrade of the original assessment for discovering your strengths. To ensure that you have the best possible experience in discovering and developing your strengths, we have made Clifton StrengthsFinder 2.0 available to those who purchase the 20th anniversary edition of *Now, Discover Your Strengths*. The updated assessment includes new reports and resources, including the Strengths Insight and Action-Planning Guide. This guide goes far beyond the standardized reports of the older assessment by providing you with personalized insight statements unique to your specific combination of strengths. These highly customized Strengths Insights are an in-depth analysis of your top five strengths. They describe who you are in astonishing detail and provide you with a comprehensive understanding of yourself, your strengths and what makes you stand out. These updated resources, in combination with the 20th anniversary edition of *Now, Discover*

Your Strengths, give you the best opportunity to soar with your strengths -- at work and in your life.

New Language Leader takes an intelligent approach to building the confidence and skills students need to succeed in academic study and use English in a globalised world.

The Role of Technology in Education Longman

The aim of this book is to provide comprehensive coverage of topics in Unit 1 of the BTEC Level 3 course in Information Technology in an interesting and approachable manner. If you are studying this course, you need to notice, read about, experience and analyse the impact and implications of current

and emerging digital technologies. Examples and case studies from scenarios and events that have recently been in the news are used to bring the subject to life. Reading and discussing articles from quality newspapers, whether printed or online, discussing relevant TV documentaries, noticing and analysing the use of digital technology in countless aspects of life, as well as learning from a textbook, are all going to contribute to a successful exam result. The book is divided into six sections corresponding to the six Learning Aims outlined in the specification, complementing each of the PG Online teaching resource packs. These sections are divided into between four and eight chapters, each containing material that can be covered in one or two lessons. The chapters have in-text questions which can be used as discussion points in a lesson. An extra chapter at the end of Learning Aim B on "Drawing System Diagrams" will be useful for students faced with a question on the exam for which they are required to draw such a diagram. In addition to almost 100 in-text questions and discussion points, there are over 80 end-of-chapter exercises that are designed to give practice in answering exam-style questions, using command words such as state, describe, explain, analyse. As much practice as possible is needed in answering such questions and getting feedback from the teacher so as to understand how to gain the maximum possible marks in the final exam.
