Being Reshma Penguin

This is the story of two sisters, Jessica Tate and Mary Campbell, and the world that their two families made. From its tumultuous beginnings in 1977 to its end by firing squad, onscreen and off, Soap was as passionate and controversial as the times in which it was made. During its four-year run, it tackled the subjects of sex, death, depression, infidelity, family, and the absurdities of the human condition, all with a wit and gentleness never before seen on American screens. Throughout that time, a vocal minority hounded the sitcom and its parent network, ABC, over its perceived irreverence toward the mores of a declining generation, even as the real world was convulsed by terrorism, energy crises and fallout from the Vietnam conflict and Watergate. Though continued pressures from these groups would bring about an early end to the series, its cast

and crew would go on to change the face of American entertainment, earning Soap an enduring place in American culture. Go behind the scenes of the making of this classic show, from the producers' battles with network censors over an earlier series to the creation of enduring story lines, such as the death of Peter Campbell and Corinne and Tim's devil baby. Based on interviews with nearly thirty members of the cast and crew, including creator Susan Harris, Katherine Helmond (Jessica) and directors Jay Sandrich and J. D. Lobue, and awash with extensive examination of every episode. Discover the answer to the question of what really led to the series' premature demise.

 The epic tale of victory and defeat... The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew

Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it is the version told by the victors, that lives on. The voice of the vanquished remains lost in silence. But what if Ravana and his people had a different story to tell? The story of the Ravanayana had never been told. Asura is the epic tale of the vanquished Asura people, a story that has been cherished by the oppressed outcastes of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has come for the dead and the defeated to speak. "For thousands of years, I have been vilified and my death is celebrated year after year in every corner of India. Why? Was it because I challenged the Gods for the sake of my daughter? Was it because I freed a race from the yoke of caste-based Deva rule? You have heard the victor's tale, the Ramayana. Now hear the Ravanayana, for I am Ravana, the Asura, and my story is the tale of the vanquished." "I am a non-entity-invisible, powerless and negligible. No epics will ever be written about me. I have suffered both Ravana and Rama - the hero and the villain or the villain and the hero. When the stories of great men are told, my voice maybe too feeble to be heard. Yet, spare me a moment and hear my story, for I am Bhadra, the Asura, and my life is the tale of the loser." The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas. In desperation, the Asuras look up to a young saviour-Ravana. Believing that a better world awaits them under Ravana, common men like Bhadra decide to follow the young leader. With a will of iron and a fiery ambition to succeed, Ravana leads his people from victory to victory and carves out a vast empire from the Devas. But even when Ravana succeeds spectacularly, the poor Asuras find that nothing much has changed for them. It is when that Ravana, by one action, changes the history of the world.

The Train That Had Wings A&C Black Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love - How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose - Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is

consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk. *The Boy Who Sneaks in My Bedroom Window* Crown

A charming and heartwarming true story for anyone who has ever longed for a place to belong. "Anne of Green Gables," *My Daughter, and Me* is a witty romp through the classic novel; a visit to the magical shores of Prince Edward Island; and a poignant personal tale of love, faith, and loss. And it all started with a simple question: "What's an orphan?" The words from her adopted daughter, Phoebe, during a bedtime reading of *Anne of Green Gables* stopped Lorilee Craker in her tracks. How could Lorilee, who grew up not knowing her own birth parents, answer Phoebe's question when she had wrestled all her life with feeling orphaned—and learned too well that not every story has a happy ending? So Lorilee set off on a quest to find answers in the pages of the very book that started it all, determined to discover—and teach her daughter—what home, family, and belonging really mean. If you loved the poignancy of *Orphan Train* and the humor of *Mennonite in a Little Black Dress*, you will be captivated by "Anne of Green Gables," *My Daughter, and Me*. It's a beautiful memoir that deftly braids three lost girls' stories together, speaks straight to the heart of the orphan in us all, and shows us the way home at last.

Pulitzer Prize-winning journalist and bestselling author John Hersey's seminal work of narrative nonfiction which has defined the way we think about nuclear warfare. "One of the great classics of the war" (The New Republic) that tells what happened in Hiroshima during World War II through the memories of the survivors of the first atomic bomb ever dropped on a city. "The perspective [Hiroshima] offers from the bomb's actual victims is the mandatory counterpart to any Oppenheimer viewing." —GQ Magazine "Nothing can be said about this book that can equal what the book has to say. It speaks for itself, and in an unforgettable way, for humanity." —The New York Times Hiroshima is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six -- a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest -- were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city. Then he follows the course of their lives hour by hour, day by day. The New Yorker of August 31, 1946, devoted all its space to this story. The immediate repercussions were vast: newspapers here and abroad reprinted it; during evening half-hours it was read over the network of the American Broadcasting Company; leading editorials were devoted to it in uncounted newspapers. Almost four decades after the original publication of this celebrated book John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them -- the variety of ways in which they responded to the past and went on with their lives -- is now the eloquent and moving final chapter of Hiroshima.
