The creator of the best-selling career handbook joins forces with a retirement planning consultant to offer an eye-opening guide that explains how readers can insure that they are ready for retirement in terms of a variety of financial, health, and lifestyle choices, in a reference that is complemented by helpful exercises and a listing of print and online resources. Original.

What Color is Your Parachute? for Teens Cengage Learning
This book gives the reader a straightforward and continuous

survey of the history of the French Foreign Legion. By outlining the Legion's vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats and dramatic defeats, but also by briefly placing the Legion back in the historical background of France, and by describing its development, organization, uniforms, equipments and weapons, the author hopes to dispel myths, and try to give a true and accurate picture of what the French Foreign Legion has been from 1831 until today. There are well-researched, detailed line drawings throughout.
