"Elvis, Miley Cyrus & Human Dignity: Miley's TLC For EP And HH" is in A4 format and now available worldwide (\$16 \* e13.75 \* 11.75). This soft cover's ultimate goal is to inform Miley Cyrus - and fans of "The King of Rock 'n' Roll" - as to the events in Memphis on August 16, 1977, and ask Miley to help restore human dignity to her biggest inspiration: ELVIS. She has the heart & compassion to accomplish this feat. \* HH Is Dear To Miley's Heart \* The below quote comes from page 4 of "Elvis, Miley Cyrus & Human Dignity: Miley's TLC For EP And HH"... and is sourced from the HH website. "People who say we can't change the world are wrong. We will challenge each other and the world & will stop pointless judgment. We know that the people sleeping on the sidewalk could have been us or our closest friends if our lives were just a little bit different. And the people we see sleeping on the sidewalk could be our friends if we gave them the chance.It's time for us to speak up for the people in our streets, our cities, our world. It's time for us to grow our passion, shine bright and change the future. It is essential to our lives to do good for others! The only way we can truly be happy is if we are making others happy! That is this Hippie's goal! Our mission is to rally young people to fight injustice."- The Happy Hippie Foundation Miley Cyrus's Happy Hippie Foundation (HH)<http://www.happyhippies.org/> An exclusive statement issued by Ginger Alden to the author, in addition to Darrin's exclusive interview with The Chief Medical Investigator For The State Of Tennessee Daniel Warlick (coupled with pages 72 & 73 of his Chancery Court deposition on 11/7/79), prove that Ernst Mikael Jørgensen and Peter Marson Guralnick's allegation (in EPE-endorsed/co-copyrighted "Elvis Day By Day: The Definitive Record of His Life and Music") that places Elvis Presley "lying facedown in a pool of vomit" on August 16, 1977, is patently false; thus, a desecration. This degrading falsehood deprives Lisa Marie's father - who can no longer defend himself - of a fundamental element of Human Dignity: dignity in death.This cannot continue! With Miley Cyrus, Lisa Marie Presley, and fellow Elvis fans joining up, I shall end this desecration... by spreading the TRUTH! Salient research resources spring from the Mississippi Valley Collection (MVC), which includes: MSS 135 "The Jerry Hopkins Collection" and MSS 411 "Death of Elvis Presley Materials". \*The stunning content of "Elvis, Miley Cyrus & Human Dignity: Miley's TLC For EP And HH" is 99% identical to "Elvis, Lisa Marie Presley & Human Dignity: Lights Out In Memphis"\*

#### *Rememberings* Chapter Books

Miley Cyrus first shot to fame at a young age playing Hannah Montana but she has long-since said goodbye to her good girl image, and is now best known for pushing the boundaries - both on and off stage. This biography tells of Miley's extraordinary upbringing; what it was like growing up with Billy Ray Cyrus as her dad and how she coped with being a multi-millionaire by the time she was 15. It tells of her ups and downs, her relationship breakups and her difficult search for friends who wouldn't betray her. From childhood all Miley wanted to do was perform, whether that be singing or acting. She has had to fight to get where she is today and has had to face many battles over the years: she was bullied relentlessly at school; she lost the person she was closest to in the world and she has had to deal with a stalker who thinks he is married to her. Fortunately, Miley shares a tight bond with her siblings, who share her love of music, and she enjoys spending family time with them and her parents whenever she can. Find out why she will never regret her controversial MTV VMA performance with Robin Thicke and how she felt as she performed her Bangerz tour around the world in this in-depth biography written by one of Miley's biggest Smilers.
