 WINNER OF THE JAMES BEARD FOUNDATION COOKBOOK AWARD FOR BEST SINGLE SUBJECT BOOK 2019 WINNER OF THE GUILD OF FOOD WRITERS' BEST SPECIALIST/SINGLE SUBJECT BOOK AWARD 2019 'James knows an awful lot about goats.' - Hugh Fearnely-Whittingstall We should all be eating more goat! It's sustainable, ethical, highly nutritious and low in calories. Why, then, does it remain so underused and

misunderstood? This book tells the story of how food and farming culture developed in the west without the help of this staple of global agriculture, and showcases the best recipes from around the world using this fabulous beast. Utterly delicious cooked fast and lean, or slow-cooked in curries, stews, braises and roasts, from kebabs to stir-fries to sausages, goat is the one meat we should all be eating more of. With 100 dishes created by Cabrito's founder James

Whetlor, plus a foreword by Hugh Fearnley-Whittingstall, and guest recipes from world-renowned chefs including Yotam Ottolenghi, Gill Meller, Neil Rankin and Jeremy Lee, Goat is a ground-breaking, bold cookbook. Essential reading for anyone with even a passing interest in food and the way we eat today, and set to be the definitive guide on the subject for years to come, Goat is a genre-defining book. 50 per cent of the royalties from the book will be donated to Farm

Africa.

2019 KID'S CALENDAR:  
GOOFY GOATS SMALL  
BOOK EDITION is a colorful "first" calendar for young children. It features a variety of adorable images of cute goats and is perfect for the child who loves animals. Children will love cutting and gluing more than 200 icons included to mark special days throughout the year! Or, they may use stickers, crayons, colored pens or pencils to add important dates,

notes, and special events on each month's calendar grid. Why not put this calendar in an area where parent and child can reinforce calendar features and skills taught in preschool and kindergarten? This calendar makes a great birthday, St. Nicholas, or Christmas gift.

Academic Planner / Diary  
2019-2020 CABI

This report shares the analysis on the effects of the coronavirus disease 2019 (COVID-19) in the agri-food system in Somalia based on the assessment conducted during August–September 2020. Funded by the United States Agency for International Development (USAID), the Food and Agriculture Organization of the United Nations (FAO) is implementing a project to contribute to data collection and analysis

linked to COVID-19 to inform evidence-based programming in selected countries. The objective is to assess the effects of COVID-19 in the agri-food system, which includes livestock and fishing, food supply, livelihoods and food security of the rural population at national level. Information is collected from primary sources of the production process: producer households, traders or marketers, inputs suppliers, extension officers and key informants. The first

round of data collection has been completed, with rounds II and III foreseen in 2021.

An exquisite, full colour country almanac by artist Catherine Hyde, following the phases of the moon and a hare's journey throughout the twelve months of the year in a lyrical tribute to the natural world. Waking from the winter solstice a hare begins her journey. Through the landscape and its changing seasons,

moving in harmony with the moon. Atmospheric and gorgeous paintings show the hare running in January, watching in February, leaping in March, until it comes full circle, sleeping in December. Twelve double page paintings of the hare's journey are accompanied by full pages of art, showing a tree, a flower and a bird for each month of the year. This rich celebration of flora, fauna and country life includes hawthorn and cowslips, swallows, blackbirds, buzzards and

owls, harebells, holly, olive, rowan, poppies and much more. Titbits of text - folklore, fairytale, myth and legend complement the art complete this desirable gift book.
