This book is a perceptive and critical account of the first 75 years of The Royal Ballet, tracing the company's growth, and its great cultural importance - an indispensable book for all lovers of ballet. In 1931, Ninette de Valois started a ballet company with just six dancers. Within twenty years, The Royal Ballet - as it became - was established as one of the world's great companies. It has produced celebrated dancers, from Margot Fonteyn to Darcey Bussell, and one of the richest repertoires in ballet. The company danced through the Blitz, won an international reputation in a single New York performance and added to the glamour of London's Swinging Sixties. It has established a distinctive English school of ballet, a pure classical style that could do justice to the 19th-century repertory and to new British classics. Leading dance critic, Zoë Anderson, vividly portrays the extraordinary personalities who created the company and the dancers who made such an impact on their audiences. She looks at the bad times as well as the good, examining the controversial directorships of Norman Morrice and Ross Stretton and the criticism fired at the company as the Royal Opera House closed for redevelopment.

The Young Dancer Oberon Books

Carlos Acosta, the Cuban dancer considered to be one of the world's greatest performers, fearlessly depicts his journey from adolescent troublemaker to international superstar in his captivating memoir, *No Way Home*. Carlos was just another kid from the slums of Havana; the youngest son of a truck driver and a housewife, he ditched school with his friends and dreamed of becoming Cuba's best soccer player. Exasperated by his son's delinquent behavior, Carlos's father enrolled him in ballet school, subjecting him to grueling days that started at five thirty in the morning and ended long after sunset. The path from student to star was not an easy one. Even as he won dance competitions and wowed critics around the world, Carlos was homesick for Cuba, crippled by loneliness and self-doubt. As he traveled the world, Carlos struggled to overcome popular stereotypes and misconceptions; to maintain a relationship with his family; and, most of all, to find a place he could call home. This impassioned memoir is about more than Carlos's rise to stardom. It is about a young man forced to leave his homeland and loved ones for a life of self-discipline, displacement, and physical hardship. It is also about how the heart and soul of a country can touch the heart and soul of one of its citizens. With candor and humor, Carlos vividly depicts daily life in communist Cuba, his feelings about ballet -- an art form he both loves and hates -- and his complex relationship with his father. Carlos Acosta makes dance look effortless, but the grace, strength, and charisma we see onstage have come at a cost. Here, in his own words, is the story of the price he paid.

Peter Wright has been a dancer, choreographer, teacher, producer and director in the theatre as well as in television for over 70 years. In *Wrights & Wrongs*, Peter offers his often surprising views of today's dance world, lessons learned - and yet to learn - from a lifetime's experience of ballet, commercial theatre and television. Peter started his career in wartime, with the Kurt Jooss company. He has worked with such greats as Pina Bausch, Margot Fonteyn, Rudolf Nureyev, Marcia Haydée, Richard

Cragun, Monica Mason, Karen Kain, Miyako Yoshida and Carlos Acosta - as well as today's generation of stars including Alina Cajocaru, Marianela Nunez, Natalia Osipova and Lauren Cuthbertson. While now regarded as part of the British ballet establishment, for many years Peter developed his career outside London, particularly in Germany with John Cranko's Stuttgart Ballet. That distance gives him a unique and unrivalled view on ballet companies. His close association with choreographers Frederick Ashton, Ninette de Valois, founder of the Royal Ballet, Kenneth MacMillan and David Bintley gives Peter an authoritative perspective on British ballet. *Wrights and Wrongs* includes black-and-white photographs from Wright's career, and as *Exeunt* magazine comments: 'Anyone with an interest in British ballet will find plenty to occupy them in Wright's book... the many dramas and delights of his life in dance spring forth from the page with brio.'

Ninette de Valois was an extraordinary woman. Not only did she create The Royal Ballet, The Royal Ballet School and the company

that has become Birmingham Royal Ballet - in themselves great achievements - but she was a gifted choreographer, dancer, teacher, administrator, speaker and writer. She also identified and developed so many of the talented dancers, choreographers and teachers who went on to make Britain a world leader in ballet and dance. During the 50th Anniversary Celebrations of The Royal Ballet in 1981, Ninette de Valois accepted an invitation to speak to the Yorkshire Ballet Seminars. In that illuminating talk, printed here for the first time, she focuses on what 'English Ballet' is. Combined with her 1955 article, *Some Problems of Ballet Today*, and Sir Peter Wright's fascinating *Madam's Memorial Address*, this volume raises questions as meaningful today as they were when de Valois first addressed them. In an increasingly connected dance world, what does it mean to have a national style? Why is a national style important? How might a national style be identified, developed and nurtured? This volume provides thought-provoking and fascinating reading for all lovers of ballet, dance and art. *Birmingham Royal Ballet's Guide to Stretching the Body* Faber & Faber
