Islamic Mysticism and the Bektashi Path International Institute of Islamic Thought (IIIT)

Examines the new literary criticism of the Bible, discusses narrative criticism, and looks at the postmodern approach to the Bible

Travels in Northern Greece Springer Science & Business Media
 Oficyna Wydawnicza „Impuls”, we współpracy z Uniwersytetem Pedagogicznym im. KEN w Krakowie, wystąpiła z międzynarodowym projektem, zatytułowanym Women in different global contexts. Culture – Gender – Violence. Redaktorkom, a zarazem Autorkom kilku z zamieszczonych w tomie tekstów, udało

się namówić do współpracy światowej klasy pedagogów, socjologów, psychologów, filozofów, prawników z polskich i zagranicznych ośrodków akademickich, co czyni publikację Jolanty Maćkowicz i Ewy Pająk-Ważnej szczególnie cenną, mającą charakter interdyscyplinarny a nawet multidyscypliny. Osią, wokół której skupia się uwaga badaczy, jest sytuacja kobiety we współczesnym świecie, czemu służy przejrzysty podział książki na trzy części – trzy odmienne konteksty: kobieta postrzegana jest kolejno przez pryzmat kultury (m.in. sytuacja kobiety w rzymskiej społeczności oraz działalność żydowskich organizacji charytatywnych z przełomu XIX i XX w.), uwikłania w płęć (min. kwestia ról politycznych jakie mogą/nie mogą pełnić kobiety, mit Bilderberg Group oraz role, jakie przyjmują na siebie młode kobiety,

dopiero wchodzące w dorosłość), a także jako ofiara przemocy, przede wszystkim domowej. Tematy skądinąd dobrze znane, w ujęciu Maćkowicz i Pająk-Ważnej zyskują nowy – międzynarodowy wymiar, rzucając na zawartą tu problematykę odmienne światło i pokazując, jak odmienne kulturowo środowisko modyfikuje rolę kobiety i koleje jej losów. Serdecznie zapraszamy do lektury.

 International Management: Managing in a Diverse and Dynamic Global Environment offers a modern perspective of international management rooted in a recognized framework. The framework follows the generally accepted course structure beginning with the macro-environment, then moves to the firm level, and concludes with the individual manager in the international setting. This traditional

framework is embellished with modern chapters on collaborative strategies, managing technology and knowledge, and ethics and corporate social responsibility. Each chapter has several mini-case examples and full-length, comprehensive cases conclude each part.

Language Awareness in the Classroom addresses the central educational question of the impact that explicit language knowledge has on learning and language learning. A substantial Introduction defines the issues and key concepts and relates them to contemporary educational policy and practice in Europe and internationally. The papers are organised into four thematic sections: the extent and nature of language awareness in teacher education; school-based language awareness programmes; tertiary education initiatives and modes of evaluation of language awareness programmes.

Parrullat me Gurë McGraw-Hill/Irwin
Albania is not well known by outsiders; it was deliberately closed to the outside world during the communist era. Now it has thankfully become free again, its borders are open and it can be visited, and it is increasingly integrating with the rest of Europe and beyond. Unfortunately, Albania has had its share of problems in the post-communist era; it's a land of destitution and despair, thanks in part to the Albanian mafia, which has turned the country into one of blood-feuds, kalashnikovs, and eternal crises. Yet, Albania is, in essence, a European nation like any other and will soon, it is to be hoped, advance and take its proper place in Europe and the world. The second edition of the *Historical Dictionary of Albania* relates the history of this little-known country through a detailed chronology, an introduction, a bibliography, appendixes, and over 700 cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.

The Autobiography of the People in Verse Springer

The General of the Dead Army is a moving and timely meditation on war and its consequences by the winner of the inaugural Man Booker International Prize,

available again in paperback. Twenty years after World War II, an Italian general—armed with maps, measurements, and dental records—is sent to Albania to recover the remains of his country's fallen soldiers. A quarrelsome priest joins him, and in rain and sleet they dig up the Albanian countryside—once a battlefield, now a graveyard—checking teeth and dog tags, assembling a dead army in pine-box uniforms. In addition to the brutal weather, they also battle the hostility of the Albanians working for them. This may be an errand of mercy for the general, but the chance to humiliate their one-time conquerors offers the Albanians a welcome vengeance. Fighting the hopelessness of his undertaking, the general finds his movements shadowed by a German general on the same gruesome mission for his own country. In a terrible crescendo at a wedding, the Italian general must answer for the crimes of his country and all countries that have invaded this land of eagles, seeking to destroy its people. Enthralling and poignant, *The General of the Dead Army* is an elegy for the young people of every country who are sent abroad to die in battle.

Literary Criticism and the Gospels

French & European Publications
Shortlisted for the Independent Foreign Fiction Prize 2013. In September 1943, Nazi troops advance on the ancient gates of Gjirokastër, Albania. The very next day, the Germans vanish without a trace. As the townsfolk wonder if they might have dreamt the events of the previous night, rumours circulate of a childhood friendship between a local dignitary and the invading Nazi Colonel, a reunion in the town square and a fateful dinner party that would transform twentieth-century Europe. A captivating novel of resistance in a dictatorship, and steeped in Albanian folklore, *The Fall of the Stone City* shows Kadare at the height of his powers.

"The Bektashi Way is profoundly simple yet perplexingly complex, striking in its boldness yet gracious in its subtlety; consequently, while shining forth brightly it still is seemingly cloaked in obscurity. There have been attempts to gather its history, characteristic ideas, and observable aspects together and to

elucidate its inner wisdom in prose, but few of these attempts have been made by knowledgeable insiders, and even fewer of these have been made in English. This full translation of Baba Rexheb's *Islamic Mysticism and the Bektashi Path* from its original Albanian is thus a unique addition to the literature on Bektashism in English, and a boon to those who seek to know more about this clearly enigmatic way." --- Vafi Baba

This book examines volunteering in detail from a civil society perspective, using empirical data garnered from various sources for countries all over the globe. The contributions deal with a broad spectrum of questions, ranging from the diversity, social and cultural determinants and organizational settings of volunteering, to its possible individual, social, and political effects.

Historical Dictionary of Albania Canongate Books

This study illustrates why the language of the Qur'an is miraculous, unique, and evidence of divine authority. The author compares the language of the Qur'an with the language of pre-Islamic poetry, the Prophet's words (hadith), and the language of the Arabs both past and present, to demonstrate that although the Qur'an was revealed in Arabic it was at the same time an Arabic which was entirely new. Original and early Muslim audiences viewed this as miraculous and responded to the Qur'an's words, sounds, rhythms, etc. in a manner consistent with a deeper appreciation of its beauty and majesty which modern ears, trained by familiarity, and despite being surrounded by all manner of dictionaries and studies, are at a loss to capture. The author attempts to remove this veil and present the Qur'an to readers as if hearing it for the first time, to bring to life some of this wonder. In doing so he guides readers to appreciate the beauty of the Qur'an, to become more immersed in it, and to have a clearer understanding of its structure and flow. Devoting special attention to Surah Al Muddaththir, to underpin his analysis, Saeh thus brings the Revelation to life, to demonstrate that each surah has distinct features and characteristics that make it stand out uniquely within the design and sweep of the whole.

Love is a very long word explores the parallel, ambiguous realms of freedom and love -- much coveted yet unnatural states of the human mind. Combining the tradition of Balkan lyricism with narrative modernist techniques, these bold poems witness the cross-cultural world of their subjects -- from wounds to hope, struggle to wry triumph. The striking cover image for Love is a very long word is by photographer Marsida Lekaj.

Librashqip sjell versionin e plotë të "Kanuni i Lekë Dukagjinit". Libri kontroversial një thesar i kulturës dhe traditës shqiptare, një kod i lashtë i sjellë nga periudha e lashtë e mesjetës. Ky kanun ka qenë një rrugëdrejtim i rëndësishëm për shoqërinë shqiptare dhe një burim i pasur për të kuptuar vlerat, detyrat dhe rregullat e kësaj kulture të lashtë. Ky libër shpalos thelbin e Kanunit të Lekë Dukagjinit në mënyrë të qartë dhe të kuptueshme për lexuesin modern. Përmes faqeve të tij, do të zhytemi në botën e marrëdhënieve shoqërore dhe të drejtësisë së shekujve të kaluar. Kanuni trajton çështje të ndryshme të jetës shoqërore si martesë, gjakmarrja, trashëgimia, dhe të drejtat dhe detyrat e njeriut në shoqëri. Leximi i këtij libri është një udhëtim në thellësitë e zakoneve dhe besimeve të lashta shqiptare, duke ofruar një perspektivë të thellë mbi historinë dhe kulturën e këtij vendi të bukur.

Scanderbeg: Or, Love and Liberty New

York : International Universities Press

Upon her arrival in Tirana, Albania, in April 1994, the author found a city unlike any other she had experienced. Rotting trash was piled in the center of the streets, animals shared the rutted roads with cars, and housing, when it could be found, was crowded and crumbling. But she found a

people full of optimism, particularly the women. Despite the subservient role forced by tradition on nearly all Albanian women, they have increasingly become the foundation upon which the country exists. Not only are they responsible for caring for extended households, these women are now also becoming vital parts of the country's economy. Most importantly, however, they maintain a faith in Albania that belies the country's turbulent past and widely predicted future. Through interviews with over 200 Albanian women, this work is an insightful, often poignant, look at a country that remains a mystery to most in the West.
