Dive into the weird and wonderful world of sleep, from the science behind dreams to a peek into animal sleeping habits, in this incredible ebook for children aged 7 to 9. We spend about 26 years of our lives sleeping, but how much do you really know about what happens when your head hits the pillow? This book answers all your questions about what goes on in your head when you snooze, including the difference between light and deep sleep, where dreams come from, and how essential sleep is to staying healthy. Discover fascinating facts about how people slept in the past, and how people sleep in different ways around the world. Did you know that the oldest mattress was found in South Africa and is 77,000 years old? Vivid and engaging illustrations by Vicky Woodgate bring the topic to life. As well as humans, learn about the sleeping habits of other animals, from bears hibernating to how bats sleep upside down. Even plants sleep! Finally, learn how you can get a proper night's sleep with practical tips and ideas for meditation to calm your mind before

bedtime. This ebook is ideal for children who have difficulty getting to sleep, as well as anyone who wants to learn more about how our brains and bodies work.

**The Stone Age Tablet** Miss Wright Publishing Limited

A journey into one of the most fascinating minds alive today—guided by the owner himself. Bestselling author Daniel Tammet (Thinking in Numbers) is virtually unique among people who have severe autistic disorders in that he is capable of living a fully independent life and able to explain what is happening inside his head. He sees numbers as shapes, colors, and textures, and he can perform extraordinary calculations in his head. He can learn to speak new languages fluently, from scratch, in a week. In 2004, he memorized and recited more than 22,000 digits of pi, setting a record. He has savant syndrome, an extremely rare condition that gives him the most unimaginable mental powers, much like those portrayed by Dustin Hoffman in the film Rain Man. Fascinating and inspiring, Born on a Blue Day explores what it's like to be special and gives us an insight into what makes us all human—our minds.

When a mystery horse gallops on to a London housing estate in the middle of a storm, it will change four kids' lives for ever ... A heart-warming tale that celebrates neurodiversity and the power of alternative thinking from an author known for her honest, heartfelt and inclusive stories. Perfect for fans of Carlie Sorosiak and Michael Morpurgo. For Daniel Margate, life is muddled because everything moves: letters, numbers, even classrooms sometimes. Daniel is dyslexic and most of the time, school just doesn't make sense. He's in the bottom reading group at school with other kids who are trying to make sense of it all. There's Akin who can't sit still for more than two minutes and is almost always getting into trouble, sports star Ste is recovering from a car accident that left him learning how to walk again and Molly-May's school uniform never fits and is a regular at the local foodbank. But when a mystery horse gallops into their lives one stormy evening, it changes everything. Desperate to keep him safe they form the Secret Horse Society and vow to protect this amazing creature. Inspired by stories of the great racehorse Seabiscuit, they name him Jammie Dodger and find they when they work together, nothing seems impossible. Even the Big Read Off at school. They just need to keep their new horse friend a secret. How hard can it be to hide a horse, anyway?

The bestselling story about love, loss and hope that launched David Almond as one of the best children's writers of today. Winner of the Carnegie Medal and the Whitbread children's book of the Year Award. When a move to a new house coincides with his baby sister's illness, Michael's world seems suddenly lonely and uncertain. Then, one Sunday afternoon, he stumbles into the old, ramshackle garage of his new home, and finds something magical. A strange creature - part owl, part angel, a being who needs Michael's help if he is to survive. With his new friend Mina, Michael nourishes Skellig back to health, while his baby sister languishes in the hospital. But Skellig is far more than he at first appears, and as he helps Michael breathe life into his tiny sister, Michael's world changes for ever . . . Skellig won the Carnegie Medal and the Whitbread Children's Book Award. David Almond is also winner of the 2010 Hans Christian Andersen award. Powerful and moving - The Guardian This newly jacketed edition celebrates 20 years of this multi-award-winning novel.

**Duncan Versus the Googleys** Raintree

A quirky and hilarious debut about scheming old ladies, mechanical monsters and fearless children from an award-winning illustrator Summer is not looking good for Duncan. His parents have left him with his Great Aunt Harriet at Arthritis Hall, a retirement community of rude old ladies who confiscate his games, stuff him in a windowless room and just want him to keep quiet. When Duncan meets Ursula, the caretaker's daughter, he begins to discover the diabolical secrets that lurk in the shadows of Arthritis Hall. Soon, the two children find themselves embroiled in a plot involving bizarre electronic creatures and acts of ingenious thievery, in an attempt to outwit a fiendish group of elderly criminal masterminds. Kate Milner is a writer and illustrator based in Bedfordshire with her husband and son. In her career she has painted pub signs and made prints, been a teacher and a carer. When working at her local library, she fell in love with children's books and went on to become an illustrator, winning the Klaus Fugge Award for her picture book *My Name is Not Refugee*. *Duncan Versus the Googleys* is her first novel.

*Skellig* Europa Editions

A funny and fantastical adventure story featuring a finger-eating troll and a very determined heroine, from one of the world's favourite children's authors. Dick King-Smith, the much-loved author of *Babe*, spins a hilarious cautionary tale perfect for readers aged 5+. Featuring black and white illustrations by Arthur Robins, this is a classic story that will delight both parent and child. Long ago, in the cold lands of the North, there lived a troll named Ulf who had a very bad habit - he liked to eat fingers! Many, many men, women and children had found their hands a finger short thanks to the razor-sharp teeth of the Finger-eater. And who knows how many more might have suffered the same fate if it hadn't been for the actions of a resolute girl called Gudrun!

*The Night Bus Hero* Dorling Kindersley Ltd

From Onjali Q. Rauf, the award-winning and best-selling author of *The Boy at the Back of the Class*, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in

the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

Raymond Briggs's funniest creation - the Boy Wonder of the Stone Age. This funny, sad, yet wonderfully life-affirming story is about a misunderstood boy genius who refuses to accept the limitations of the world in which he lives. Young Ug is upwardly mobile, always on the brink of finding a better way, a nicer way of getting through life. He discovers that the fire that comes out of the sky can make dead animal bits taste terrific, but his mother thinks this is a disgusting idea and, she adds, "Terrific? What sort of word is that? Don't you bring language like that into this cave!" He invents the wheel but doesn't know quite what to do with it. What he really wants is a pair of soft, warm trousers. But how many millions of years must he wait for them? Ug's story is told in more than 100 colorful frames with speech balloons much like a graphic novel but for a younger audience. Witty footnotes explain some of the many hilarious anachronisms.
