Portrait of the growth of tech company Amazon and the evolution of its billionaire founder, Jeff Bezos.

Storm Glass 47north

High school senior Jeff Browning is upset when he learns that his girlfriend is pregnant and determined not to let a baby ruin his plans to go to college on a debate scholarship, but his feelings change after the baby is born.

[Mirror Gate](#) B&H Publishing Group

For the first time since Jeff Buckley's untimely death on May 29, 1997, Dave Lory reveals what it was like to work alongside one of rock's most celebrated and influential artists. Go on the road and behind the scenes with Buckley, from his electrifying first solo shows in New York to the difficult sessions for the second album he never completed. Lory opens up about their struggles with the record label and trouble with the band, shares previously untold stories and describes fascinating scenes that only he witnessed, including what went down in the days immediately after getting that fateful call, "Jeff is missing."

Shut Up! Permuted Press

When Jeff Buckley drowned in 1997, the music world was shaken to its foundations, not least because of the echoes of his father Tim's demise. He too had been a brilliant and innovative musician with an extraordinary five-octave voice; and he too had died young, 28 in fact, after an accidental drugs overdose. But there the similarities end. Jeff hardly knew Tim, spending little more than a few weeks with him as a boy. Their careers were very different, Tim releasing eight albums in his lifetime, including the beautiful *HappySad* and the extraordinary and still out-there *Starsailor*, while Jeff released just one - the brilliant *Grace*, generally acknowledged as one of the great albums of the 90s. More than just a biography of two musicians, *Dream Brother* is the story of what happens when *The Business* hooks up with *The Artist*, ultimately to neither's benefit.

Lights. Camera. Murder. The Dexter series continues with a wild ride through Hollywood. • The Killer Character That Inspired the Hit Showtime Series Dexter Mega-star Robert Chase is famous for losing himself in his characters. When he and a group of actors descend on the Miami Police Department for "research," Chase becomes fixated on Dexter Morgan, the blood spatter analyst with a sweet tooth and seemingly average life. Chase shadows Dexter's every move, trying to learn what makes him tick. However, Dexter's favorite pastime of hunting down the worst killers who've escaped legal prosecution—and introducing them to his special brand of justice—presents, well, a bit of a problem. It's a secret best kept out of the spotlight if Dexter wants to stay out of the electric chair, but even Dexter isn't immune to the call of fame....

The Books of El Atlantic Books Ltd

At the dawn of the earth, a race of beings-masters of the universe-walked the planet. Now a portal opens to their long-lost world. After thousands of years, Araquel the Watcher has finally spotted the culmination of his quest-three champions not of his world, but perhaps its only hope. But will they be willing to step into this most dangerous of games and fulfill their unique destinies? Laura, Jon, and Sampson, three college students, have heard the legends about the bene elohim, who have invoked fear and awe since the beginning of time. Both despised and revered, they taught humankind about mysteries otherwise unknown. Then, abruptly, they vanished, along with the other six races-the elves, dwarves, giants, centaurs, people of the sea, and fairies. But to Laura, Jon, and Sampson, the bene elohim are nothing more than myths...until they encounter the mysterious Araquel, discover *The Books of El*, and are plunged into the world these ancient beings once ruled with absolute

power. Their mission? To journey to the land, to believe, to act in the land's behalf, and to forge a path, using their honed skills as a team to do what seems impossible. The stakes are high-not only their own lives, but the survival of two worlds. And forces not of their world are conspiring to make this the deadliest game of all.

The Price of Tomorrow Feet Wet Writing

Soulshaping is the inspiring memoir of an archetypal "male warrior"—a trial lawyer—who struggled to find his heart and a more authentic, soulful path. Rivetingly personal and profoundly universal, this book is for anyone who has heard a whisper of something truer calling out to them amid the distractions of modern life. Jeff Brown's dramatic and often funny story takes readers through remarkably human experiences—emotional, physical, and economic—as he vividly recounts his troubled childhood, his success in apprenticing with Canada's top criminal lawyer, and his ultimate decision to leave the law and begin an inner journey to discover his soul's purpose. A work of courageous self-creation, *Soulshaping* reminds us that we are all truly connected, that our seemingly isolated struggles are actually part of the shared human challenge to live a life that is heart-centered and soul-driven. Both down-to-earth and magically mystical, *Soulshaping* will meet you where you live—and where you long to live.

No More Sad Goodbyes Stanley Press

Erica loves her boyfriend. But he drinks too much, and bad things happen when he's drunk. What about Erica's dreams, her hopes, her wishes?

[Jeff Buckley](#) Marvel Entertainment

With *Over Seventy* and *I Don't Mean MPH*, Marilyn Reynolds, a popular and prolific young adult novelist and Emmy Award nominee, shifts her focus from teens to the designated "middle-old" Her straightforward take on the joys and challenges of aging is realistic, poignant, and at times thigh-slappingly funny. If you or someone you love is over seventy, or ever expects to be, this book is a must read. Part how-to and part inspirational, Reynolds' easy, conversational tone invites you to put your feet up and relax with her over a cup of tea, a sip of wine, or one of those pretty little martinis. Whatever your beverage of choice, you've got a delightful few hours in store for you. Book jacket.

This 20th Anniversary Edition features a foreword by Lauren Beukes and three fantastic new short stories, all set in the extraordinary world of *Vurt*... Take a trip in a stranger's head. Travel rain-shot streets with a gang of hip malcontents, hooked on the most powerful drug you can imagine. Yet *Vurt* feathers are not for the weak. As the mysterious Game Cat says, 'Be careful, be very careful'. But Scribble isn't listening. He has to find his lost love. His journey is a mission to find *Curious Yellow*, the ultimate, perhaps even mythical *Vurt* feather. As the most powerful narcotic of all, *Scribble* must be prepared to leave his current reality behind. 'Vurt was an SF novel that was really fresh and peculiar' William Gibson, 'Transgressive. It got under your skin like Cronenberg, or like *Poppy Brite*' Chuck Wendig, 'Vurt is a gripping piece of speculative fiction' *Guardian*

Vesper Pan Macmillan

From the unique perspective of the executive who discovered them, *One Step Closer* reveals how Brad Delson's college internship was a catalyst for a group of young musical visionaries, led by Mike Shinoda, which gave rise to a band that survived countless rejections, exceeded everyone's expectations but their own, and became the voice of a generation. This against-all-odds story chronicles the early days of Linkin Park, from their first demo and *Whisky a Go Go* performance as Xero, through their tireless efforts to perfect their iconic sound and the discovery of Chester Bennington. Jeff Blue was there when no one else believed—first as their publisher, then as their A&R guy. This is his memoir of that incredible journey. Riveting and inspiring, *One Step Closer* is a testament to perseverance, as well as a detailed behind-the-scenes account of the building of a dream and what it takes to make it.

Soulshaping Post Hill Press

Originally published as a serial 'zine of interrelated stories, *Our Noise* quickly became popular as a cult favorite, garnering rave reviews from underground magazines around the country. Funny, poignant, and fearless, this wry and telling novel captures the lives, loves, and record collections of a group of disaffected youths in a small Virginia town.

Hummingbird Salamander MCD

In the System of Federated Nations, a new religion is growing fast. The Electric Church offers eternal life - the only catch is, you've got to be killed first. Millions have had their brains placed in advanced cybernetic bodies, making them immortal. But rumour has it that the new converts aren't quite as willing as the Monks make out. Avery Cates is a low-life contract killer, prepared to slit anyone's throat for a few measly Yen. But even he gets the heebie-jeebies from the plasticised, eternally-serene stare of the Monks. He'll have to come face to face with them soon enough though, because Cates is on the run from the System Cops and can only redeem himself by taking out the head of the Electric Church. That's if the gun-toting, super-augmented cybernetic Monks don't get to his own head first . . .

Wholehearted Faith Da Capo Press

Autumn Grant is a volleyball star at Hamilton High and has her choice of both athletic and academic college scholarships. She is lovingly raised by her father and grandmother, who have taught Autumn to make sound decisions about her future. When Autumn discovers she is pregnant, however, she's determined to keep her perfect life and erase the mistake of one night by scheduling an abortion. Only five days before her appointment, the news that her grandmother and father have tragically died changes Autumn's life forever, and she is faced with a difficult decision: whether to have the baby and raise it as her own or to give the child to her volleyball coach to adopt. Her choice becomes even more difficult when she discovers that the baby and her grandmother share an extraordinary physical trait. Touching on the adolescent themes of teenage sex, adoption, and abortion, this topical novel is poignant and inspiring.

Deadpool Vs. Thanos Hal Leonard Corporation

When grouse hunters stumble upon a body in the backwoods, Sheriff John Cabrelli works to untangle the complex case, while stressed relationships, public outcries for justice, and pressure from the media compound the situation. As the body count rises in the expansive landscape, he soon finds his greatest resource is the community itself. *Bough Cutter* is the third book in the best-selling Northern Lakes Mystery series and is perfect for fans of William Kent Krueger, Victoria Houston, C. J. Box, and Patricia Skalka. Award-winning author Jeff Nania keeps readers wondering who is on the right side of the law in the rural Northwoods county.

Detour for Emmy BQB Publishing

It's the confrontation that every single Marvel comic has been building to: the Merc With a Mouth versus the Jerk With That Jaw! Deadpool goes to Infinity and beyond when he throws down the gauntlet against Thanos of Titan! These calamitous combatants are two sides of an unholy love triangle, with Death their fickle mistress. But when everything in the universe stops dying, could the bombshell with the killer cheekbones have her bony hands full with someone else?!? Who ever heard of a love square? How would that even work? The Mad Titan and the Crazy Cretin may just have to team up to find out what gives as they head "From Her to Eternity!" Guest-starring Marvel's most popular and beloved character, the Black Talon - plus some nobodies called the Guardians of the Galaxy.

Bough Cutter Vintage Crime/Black Lizard

The journals, notebooks, musings, and early song drafts of Jeff Buckley, the late singer best-known for the definitive version of "Hallelujah" and his classic album *Grace*, including dozens of evocative photos of his personal effects and ephemera. After the release of his acclaimed debut album, *Grace*, in 1994, Jeff Buckley quickly established himself as one of the decade's most defining talents in pop music: a singer, guitarist, and songwriter with a multi-octave range whose tastes took in rock, blues, jazz, hardcore, Qawwali music, and even show tunes. Hailed by the likes of Bono, Jimmy Page, and

Robert Plant, *Grace* showcased Buckley's voice, passion, and influences and pointed to an inordinately promising future. Three short years later, at the age of thirty, he tragically drowned in Memphis. But his legend and stature have only grown since; in recent years, everyone from Adele to Coldplay to Radiohead has spoken of the impact Buckley's music had on them. For much of his life, Buckley diligently kept journals recording his goals, inspirations, aspirations, and creative struggles. These diaries amount to one of the most insightful life chronicles any musical artist has left behind. *Jeff Buckley: His Own Voice* marks the first-ever publication of Buckley's handwritten account of his journey from his days in Los Angeles in the late '80s through shortly before his passing. Combined with reproductions of other memorabilia--including letters, notes, and unpublished lyrics--this book takes readers and fans deep into Buckley's mind and life.

The Everything Store: Jeff Bezos and the Age of Amazon Balzer + Bray

From the Wall Street Journal bestselling author of the Kingfountain Series comes the first novel in a bold and richly imagined world. There is a world of opposites. The privileged live in sky manors held aloft by a secretive magic known only as the Mysteries. Below, the earthbound poor are forced into factory work to maintain the engine of commerce. Only the wealthy can afford to learn the Mysteries, and they use their knowledge to further lock their hold on society. Cettie Pratt is a waif doomed to the world below, until an admiral attempts to adopt her. But in her new home in the clouds, not everyone treats her as one of the family. Sera Fitzempress is a princess born into power. She yearns to meet the orphan girl she has heard so much about, but her father deems the girl unworthy of his daughter's curiosity. Neither girl feels that she belongs. Each seeks to break free of imposed rules. Now, as Cettie dreams of living above and as Sera is drawn to the world below, they will follow the paths of their own choosing. But both girls will be needed for the coming storm that threatens to overturn both their worlds.

Automated Alice 47north

Six American men live behind a protective façade, their real work hidden from neighbors and friends. Different in countless ways, they are intimately the same in one: at any moment their lives can be altered with a phone call, and their actions may change the world. They are Special Ops. And one team's mission is about to hit certain jeopardy status when the discovery of an Al Qaeda base in Venezuela becomes secondary to thwarting the transport of a nuclear weapons expert from that training camp to Iran. Informed by the true combat experience of Captain Jeff Struecker and finessed by award-winning novelist Alton Gansky, *Certain Jeopardy* is an immersing and pulsating fictional account of what really happens at every level of a stealth engagement: the physical enemy encounter, the spiritual war fought within a soldier, and the emotional battles in families back at home. Endorsements: *Certain Jeopardy* by Jeff Struecker and Alton Gansky is like the TV show *The Unit* on steroids! A group of six men appear to live normal American lives, but at any time they can be called to report to a Special Operations group performing actions for the safety of their country at the risk of their lives. The men are called to Venezuela to investigate rumors of a Al-Qaeda training camp. Instead they stumble into the kidnapping of a nuclear scientist who can empower Iran to create their own nuclear weapons. To rescue him and his family that is being held hostage for his cooperation will force them to use every skill they know and may cost them their lives. I'm not usually a fan of military thrillers, but this book grabbed me on page one and didn't let go until I finally remembered to breathe again at the end. Struecker has served several tours of duty himself, so the writing gives an inside look at secret military operations and the incredible amount of skill and fortitude needed by its members. The action is written so that every scene is almost cinematic; I could see it play out in my head. Interspersed are scenes of the families at home coping with never knowing where their loved ones are or if they will come home. Together they create a powerful look at Army life. I hope that the authors will revisit this team, because I would love to read more! -- Christy's book blog
