"Darkness covers the world as the forces of evil take control. The Friend has become the President of the World and rules with absolute power from behind the giant wall of the city of Tokyo. Most of the world believes that the Friend is their savior, but below the surface, a resistance group led by "The Ice Queen" begins to make its move. The only one capable of ending this nightmare, she plans an armed revolt--but then a ray of hope shines from an unexpected corner" -- Back cover.

**Asadora!, Vol. 6** VIZ Media LLC

A deluxe bind-up edition of Naoki Urasawa's award-winning epic of doomsday cults, giant robots and a group of friends trying to save the world from destruction! Kanna asks as she confronts the grim truth. With a heart full of despair, it will take everything for Kanna to continue the fight against the Friends. Meanwhile, Koizumi and Sadakiyo manage to escape the pursuit of the Dream Navigators, but not for long. **The Stand (Movie Tie-in Edition)** VIZ Media LLC

The tie-in edition of the nine-part CBS All Access series starring Whoopi Goldberg, Alexander Skarsgard, and James Marsden. When a man escapes from a biological testing facility, he sets in motion a deadly domino effect, spreading a mutated strain of the flu that will wipe out 99 percent of humanity within a few weeks. The survivors who remain are scared, bewildered, and in need of a leader. Two emerge--Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them--and ultimately decide the fate of all humanity.

**20th Century Boys: The Perfect Edition, Vol. 8** VIZ Media LLC

"There once was a kid who imagined the end of the world. It was all a child's game--until it became terribly real! The Friend is carrying out his plan to exterminate humanity--just as predicted. And the man who survived Bloody New Year's Eve is on his way back to Tokyo. The boys are coming back together one by one as they race toward final battle" -- Back cover.

**20th Century Boys: The Perfect Edition, Vol. 6** VIZ Media LLC

A rollicking account of a celebrated artist's coming of age, full of outrageously bad behavior, naked ambition, fantastically good music, and evaporating barriers of taste and decorum, and featuring cameos from David Bowie, Andy Warhol, Patti Smith, and many more. "A phantasmagoria of alcohol, sex, art, conversation, glam rock, and New Wave cinema. Hannah's writing combines self-aware humor with an intoxicating punk energy." --The New Yorker Painter Duncan Hannah arrived in New York City from Minneapolis in the early 1970s as an art student hungry for experience, game for almost anything, and with a prodigious taste for drugs, girls, alcohol, movies, rock and roll, books, parties, and everything else the city had to offer. Taken directly from the notebooks Hannah kept throughout the decade, Twentieth-Century Boy is a fascinating, sometimes lurid, and incredibly entertaining report from a now almost mythical time and place.

"I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang's] name will be up there with the likes of Robin Hobb and N.K. Jemisin." -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books pick! Washington Post "5 Best Science Fiction and Fantasy Novel" pick! A Bustle "30 Best Fiction Books" pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China's twentieth century and filled with treachery and magic, in the tradition of Ken Liu's Grace of Kings and N.K. Jemisin's Inheritance Trilogy. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it

was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.
