20 Herbs for Your Wedding Bloomsbury Publishing

Flowers have been used in wedding ceremonies for centuries; fashions may change but their popularity endures. Today brides can choose from an ever-widening range of styles and designs including spectacular blooms, individual fantasies and simple, natural displays - the creative potential is huge when a love of flowers is combined with the confidence to experiment. This new book gives brides and florists a hands-on guide to floral designs to celebrate the happiest and most special of days. Packed with tips and tricks, it explains how to plan, prepare and transport the flowers, as well as advising on colour scheme and displays. Detailed instructions on techniques and demonstrations are supported by over 400 step-by-step photographs and there is also a complete guide to four seasonal weddings set in a church, a castle, a hotel and a garden.

[Ultimate Guide to Summer Wedding Receptions - Ideas from Around the World](#) Hachette UK

With the help of this exquisite and instruction-filled guide, anyone can create gorgeous wedding arrangements with ease. It covers all the important points any designer must take into consideration: how to coordinate the flowers with the overall theme of the ceremony; where the arrangements will be needed, from personal boutonnieres to centerpieces at the reception; and how to work with a florist to get the blooms. Floral basics and how-to's range from important facts on color and composition to suggestions on bouquet shapes and their relation to the dresses. Most important are the various projects to duplicate exactly or use as a springboard, from lovely monochromatic themes to seasonal styles.

Seven essays celebrating the beauty of the imperfect marriage. We hear plenty about whether or not to get married, but much less about what it takes to stay married. Clichés around marriage—eternal bliss, domestic harmony, soul mates—leave out the real stuff. After marriage you may still want to sleep with other people. Sometimes your partner will bore the hell out of you. And when stuck paying for your spouse's mistakes, you might miss being single. In *Wedding Toasts I'll Never Give*, Ada Calhoun presents an unflinching but also loving portrait of her own marriage, opening a long-overdue conversation about the institution as it truly is: not the happy ending of a love story or a relic doomed by high divorce rates, but the beginning of a challenging new chapter of which "the first twenty years are the hardest." Calhoun's funny, poignant personal essays explore the bedrooms of modern coupledom for a nuanced discussion of infidelity, existential anxiety, and the many other obstacles to staying together. Both realistic and openhearted, *Wedding Toasts I'll Never Give* offers a refreshing new way to think about marriage as a brave, tough, creative decision to stay with another person for the rest of your life. "What a burden," Calhoun calls marriage, "and what a gift."

An inspiring guide to transforming a small patch of ground, be it on an allotment or in a garden, into a cut flower patch which produces flowers from early spring to late autumn. Louise Curley looks at what makes a great cut flower, ideal conditions and soil and the tools you'll need. There is advice on what to grow - from favourite hardy annuals, half hardies and biennials to spring and summer bulbs to adding foliage and fillers to balance arrangements - and advice on how and when to sow, how to support your plants and tips on weeding, deadheading, pests and feeding. Growing your own means greater choice, working with the seasons and super fresh flowers. Bought flowers can be expensive and the international flower trade often means dangerous chemicals, poor working conditions for growers, demands on water resources and the 'flower miles' of worldwide airfreight. This book will help you get the most from your patch with guidance on how to cut the flowers so that they keep producing more blooms and how to look after them once they have been picked. *The Cut Flower Patch* is completed by a selection of flower arranging tips and sample arrangements as well as tips on finding great containers, planting plans and a helpful year planner. *The Cut Flower Patch* won the 'Best Practical Book' at the Garden Media Guild Awards, 2014. Jason Ingram won Photographer of the Year at the Garden Media Guild Awards, 2014.

Would you marry a stranger to live the life of your dreams? 'A fun and refreshing read! I couldn't put it down!' HEIDI SWAIN 'The best book I've read in 2021. I LOVED it, it made me smile so much. Fresh, funny and utterly wonderful' HOLLY MARTIN 'Original, funny and so, so romantic, *The Wedding Pact* is a breath of fresh air that you should add to your summer reading list immediately' CRESSIDA MCLAUGHLIN August Anderson needs somewhere to live. Dumped by her boyfriend who

would rather be alone than move in with her, she has almost given up on happiness. Until she notices that the beautiful Georgian townhouse she's long admired (ahem, *obsessed over*) is looking for a new tenant, and suddenly it seems like things might be looking up . . . There's just one catch - the traditional, buttoned-up landlord is only willing to rent to a stable, married couple and August, quite frankly, is neither. Competition for the house is fierce and August knows she'll have to come up with a plan or risk losing her last shot at her happy ending. Enter Flynn, the handsome, charming and somewhat unsuspecting gentleman who August accidentally spills her coffee over. Flynn is new to the area and is looking for somewhere to live, and August thinks she knows just the place, but only if he's willing to tell a little white lie . . . The perfect feel-good summer read from reader favourite Lisa Dickenson, writing as Isla Gordon. Perfect for fans of Heidi Swain, Sarah Morgan and Anna Bell Praise for ISLA GORDON: 'Heart-warming and full of hope. I loved it' HEIDI SWAIN 'The most beautiful, heart-warming story. Gorgeously cosy, uplifting . . . utterly lovely book' HOLLY MARTIN 'Sunday afternoon bliss!' FABULOUS magazine

The Garden of Don José Sterling Publishing Company, Inc.

Twenty-two-year-old James Gould arrives in Occupied Naples in 1943, where his duties include dissuading Allied soldiers from marrying their beautiful Italian girlfriends, and his diet includes little more than spam fritters and warmed-up rations. The girls of Naples, however, soon arrange for a beautiful young country girl to join his staff as a cook. Under the twin influences of Italian food and Italian passion, James has only just realised that his heart is more important than his orders, when an eruption of Vesuvius sets in motion a series of epic events that will change their lives for ever.

Gardeners' Choice Lark Books

Can an island in the sun provide the second chance Sara needs? A warm and uplifting novel about

love, friendship and new beginnings on the beautiful Greek island of Santaniki. Sara Loveday flees home and crisis to the beautiful island of Santaniki. Here, amid olive groves and whitewashed stone villas, where dark cypress trees step down to a cobalt blue sea, Sara vows to change her life. Spotting a gap in the local tourist market, she sets up a wedding plan business, specialising in 'second time around' couples. For her first big wedding, she borrows the olive garden of a local artists' retreat, but almost at once things begin to go wrong. To make matters worse, a stranger from Sara's past arrives on the island, spreading vicious lies. Can her business survive? And what will happen with the gorgeous new man who she's begun to love? This is a gorgeous, warm-hearted and uplifting novel conjuring the local colour, traditions and close bonds of island life.
