Written from the pit of numerous soul-piercing adversities in the author's own life. In this volume, he draws from the insights he gleaned from the Lord, friends, and writers during his darkest days. The wisdom contained in this volume became the bread and butter the author relied on, helping him to be developed by his trials rather than destroyed by them.

Who is Your Covering? Baker Books  
During His ministry on earth, Jesus of Nazareth spent most of His time healing the sick, casting out demons, training disciples, teaching the people, and preaching the kingdom of God. But what is Jesus Christ doing today? What is His present-day ministry? In *Jesus Now*, bestselling author Frank Viola gives us the first comprehensive treatment of what Jesus has been doing since His ascension until His second coming. In an easy-to-read format, Viola explores the seven aspects of Christ's ministry today and shows how each one benefits the saved and the unsaved. Open these

pages and discover what the Lord Jesus Christ is doing now and how it will impact your life.

*Revise Us Again* Baker Books

Discover the sweeping story of God's eternal plan. Deep within God's Word lies a wondrous story like no other. A drama that unfolded before time began. An epic saga that resonates with the heartbeat of God. A story that reveals nothing less than the meaning of life and God's great mission in the earth. From *Here to Eternity* presents three remarkable stories spanning from Genesis to Revelation. Each story traces a divine theme that is woven throughout scripture. Seen together, they offer an extraordinary glimpse into God's highest passion and grand mission. What you discover will forever change your view of

life, the church, and our magnificent God.

*Jesus Manifesto* presents a fresh unveiling of Jesus, seeking to restore the supremacy and sovereignty of Christ in a world—and a church—that has lost sight of Him. Christians have made the gospel about so many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, and methods that begin to eclipse the beauty, the glory, and the reality of the Lord Jesus Himself. We know a lot about our Lord, but we don't know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. *Jesus Manifesto* provides clarity on the most important points of our faith. It is a

prophetic call to restore the supremacy and sovereignty of Christ in a world and church that has lost sight of Him. This manifesto emphasizes ten crucial areas of restoring the supremacy of Jesus Christ, noting: Christians don't follow Christianity; they follow Christ Christians don't proclaim themselves; they proclaim Christ Christians don't point people to core values; they point people to the Cross Christians don't preach about Christ; they preach Christ Read this book to see your Lord like you've never seen Him before and restore the sovereignty of Jesus in your life.

Follow your heart. You do you. You are enough. We take these slogans for granted, but what if this path to personal

happiness leads to a dead-end? In *Rethink Your Self*, Trevin Wax encourages you to rethink some of our society's most common assumptions about identity and the road to happiness. Most people define their identity and purpose by first looking in (to their desires), then looking around (to express their uniqueness), and finally—maybe—looking up (to add a spiritual dimension to life). *Rethink Your Self* proposes a counter-intuitive approach: looking up before looking in. It's only when we look up to learn who we were created to be that we discover our true purpose and become our truest selves.

**Eternity in Their Hearts** Pagan Christianity?

Protestantism carries on with the

practice of making the "pastor" the focal point in church. Zens demonstrates that putting all the ecclesiastical eggs in the pastor's basket has no precedent in the New Testament.

**Love Me Anyway** Zondervan

Virtually every other "Jesus biography" begins with the nativity account in Bethlehem. In this groundbreaking book, Sweet and Viola begin before time, in the Triune God, and tell the complete interconnected story of Jesus from Genesis to Revelation.

Author Frank Viola gives readers language for all they knew was missing

in their modern church experience. He believes that many of today's congregations have shifted from God's original intent for the church. As a prominent leader of the house church movement, Frank is at the forefront of a revolution sweeping through the body of Christ. A change that is challenging the spiritual status quo and redefining the very nature of church. A movement inspired by the divine design for authenticity community. A fresh concept rooted in ancient history and in God Himself. Join Frank as he shares God's original intent for the church, where the body of Christ is an organic, living, breathing organism. A church that is free of convention, formed by spiritual intimacy, and unbound by four walls.

"We're being raised in a world whose pervasive philosophies have had a cumulative effect on the gospel that's being preached, and most Christians are totally oblivious. The grace and love of God have been cheapened, skewed, and miscommunicated. The cross has been belittled, redemption diminished, and the power of Jesus' resurrection disregarded. If you were to honestly examine the American gospel under the scrutiny of the Word of God, you would find critical flaws that are far worse than matters of a twisted 'prosperity gospel.' I believe that even the basic fundamentals of Christian philosophy are being misunderstood. Most of us think we know what it means when we confess that Jesus died for our sins, but we often

don't." In his book, Lead Pastor of Valiant Church in New Hope, MN, David Grams, invites to weigh your beliefs against the core tenets of the New Testament, guaranteeing you a much deeper understanding of the gospel that easily exposes the many flaws in mainstream Christianity. You'll find that the gospel has very little to do with a mere forgiveness of sin or Jesus' substitutionary death. It has to do with complete freedom from sin and a completely new life, teaching that Christ didn't only die for us, but He died AS us. Some of the most minuscule corrections to our beliefs bring about colossal improvement to our lives. Contrarily, some of the tiniest lies in our doctrine produce destruction. This book will help you identify those lies and bring

correction, healing, and spiritual breakthrough to your life.

**Jesus Manifesto** David C Cook  
From the bestselling author of Reimagining Church comes an essential guide that provides practical, effective tools for finding vibrant Christian communities. Driven by a passion for the body of Christ, Frank Viola has written some of today's most authoritative and celebrated works on the growing home, organic, and missional church movements. Now Viola shares practical keys to a healthy and successful church plant. Viola contends that many congregations today are struggling to survive, not because of bad planning, but poor planting. He presents an essential guide for starting and nourishing organic churches in any

culture. Drawing from both Scripture and a wealth of experience, Viola offers real-world tools, insights, and practical suggestions so churches won't just grow, but thrive.

*Why We Love the Church*

A Clear Guide to Help Readers

Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy. From social media memes to popular scholarship, so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible, such as: Did Jesus actually live? Did the biblical writers invent their message? How can we trust the gospels since they were written so long after Jesus lived? How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science? Aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote? Why should we believe the books that are in the Bible, since many good ones were left out, like

the Gospel of Thomas? Why trust the Bible when there are so many contradictory translations of it? If you find yourself unable to answer questions such as these, but wanting to, Why I Trust the Bible by eminent Bible scholar and translator William Mounce is for you. These questions and more are discussed and answered in a reasoned, definitive, and winsome way. The truth is that the Bible is better attested and more defensible today than it ever has been. Questions about the Bible are perhaps the most significant challenge confronting Christian faith today, but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible.

**Unchurching** Baker Books

Have you ever wondered why we Christians do what we do for church every Sunday morning? Why do we “dress up” for church? Why does the pastor preach a sermon each week? Why do we have pews, steeples, and choirs? This ground-breaking book, now in affordable softcover, makes an unsettling proposal: most of what Christians do in present-day churches is rooted, not in the New Testament, but in pagan culture and rituals developed long after the death of the apostles. Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices. In the process, the authors uncover the problems that emerge when the church

functions more like a business organization than the living organism it was created to be. As you reconsider Christ's revolutionary plan for his church—to be the head of a fully functioning body in which all believers play an active role—you'll be challenged to decide whether you can ever do church the same way again.

The Normal Christian Birth Tyndale House Publishers, Inc.

Basing his study on the New Testament, David Pawson advocates a synthesis of the 'liberal' emphasis on repentance, the 'evangelical' on faith, the 'sacramental' on baptism and the 'pentecostal' on the Spirit. He then relates these 'spiritual dooes' to the concepts of conversion and regeneration. The Normal Christian Birth looks at crucial and controversial texts,

challenging traditional interpretations. The final section on evangelistic counselling questions the adequacy of the typical 'sinner's prayer' approach. Drawing from scripture and experience, David Pawson gives many practical tips on helping potential disciples to repent, believe, be baptised and receive the Spirit.

This book presents the case for loving the local church. It paints a picture of the local church in all its biblical and real life guts, gaffes, and glory in an effort to edify local congregations and entice the disaffected back to the fold. It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the "leave church" books that

trumpet rebellion and individual felt needs. *Why We Love the Church* is written for four kinds of people - the Committed, the Disgruntled, the Waffling & the Disconnected.

*Un Pagan Christianity* David C Cook

A refreshing truth-over-technique call to small group leaders and Sunday school teachers to stay focused on continually reintroducing people to Jesus whose life and death changes everything.

*Jesus Speaks* David C Cook

In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly

habits and practical wisdom needed to minister to the hearts and souls of those committed to their care. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice-born out of his five decades as a pastor-that will benefit both new pastors and those with years in the pulpit. Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again.
