In this guide Author Edward Dumas - paralegal, researcher, and a premiere business manager has now published a decade of business litigation experience, paralegal research, and a collection of the most important legal forms to operating a legitimate business and corporation. This book is a legal guide and is the most comprehensive book on how to start, manage, and structure a business, corporation, and professional life, with a California emphasis, using a variety of legal forms, letters, and sample formats. This guide is the perfect manual containing forms for creditors, clients, shareholders, directors, and assistants. Over 300 pages of business forms, laws, and regulations needed to navigate, startup, and profit in the corporate, professional, and business legal environment today. A perfect guide to how to use the popular "IRAC" method; an in-depth review of the American Federal system, doctrines, and current practices. This publication does not substitute for the advice of an attorney nor solicit for legal advice.
