The Simpsons -- the quintessential middle American nuclear family -- have become a cultural icon. Beloved by millions of viewers, the Emmy Award-winning series made television history by bringing animation back to prime time, rapidly becoming one of the Fox network's highest-rated shows. In this collection of comics, faithful followers can catch up on the latest goings-on in Springfield, as the Simpson universe leaps from the screen to the big color comics pages. Ned Flanders, steadfast citizen and devoted father, has gone on a rampage, committing shocking crimes (it's not his fault -- he's been kidnapped by aliens). The Simpsons try out for membership in a biosphere, with catastrophic results. Then it's off to a new adventure as Bart skateboards headlong into the evils of the publishing industry, where he learns all about idea stealing, bad writers and the fleeting interest of editors.

America can't get enough of the Simpsons! The TV show keeps exploding in popularity and is rated the #1 FOX show for kids age 12 to 17 and #4 for kids age 18 to 34. Meanwhile, the comic books continue to take the industry by storm, with orders shipping a minimum of

100,000 copies per issue. In Simpsons Comics Wingding, Groening fans can once again catch up with the latest goings-on in Springfield. First, Bart's bad, but this time he has double the trouble and double the fun, when our spike-haired hero swaps places with his look-alike. Now he's the Artist Formerly Known as Bart, and rock 'n' roll will never be the same. In the next adventure, Willie the Scottish groundskeeper and Bravehearted Bart are training in the woods. Their mission: To "give that silk-wearin' Nancy boy Skinner a drubbin' he'll not soon forget!" Ach! Then superstore mania hits Springfield when Apu and Mr. Burns join forces to build the world's biggest convenience mart! Last, but certainly not least, Bart zooms off on a trip to Paris, but his French vacation gets fried when the Mona Lisa gets stolen and all he gets is the frame! When the television show just isn't enough, fans turn to the comic books to satiate their Simpsons addiction. A veritable bonanza of the wicked wit that made the series an international hit, this nonstop laughfest is the perfect cure for those summertime blues.

The Bart Book is now being released in hardback, as part of the ongoing series: The Simpsons Library of Wisdom. Bart Simpson, the much-maligned, misunderstood, under-appreciated 'underachiever', comes clean and (God help us!) it's worse than we thought. Now the truth can be told at last as Bart offers up his school survival guide, secret codes, pullable pranks, dream tattoos, favourite El Barto 'tags', and the Christmas list to end all lists (and future visits from Santa). It's the worst, we mean . the best book ever! In The Simpsons Library of Wisdom, Matt Groening, the creator of 'The Simpsons', offers an ongoing series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt man's role in the universe and make the world a better place ... sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that 'The Simpsons' serves up every night of the week all around the world.
